Relationships come in many different forms; however, this book focuses on promoting healthy couple relationships.

When it comes to relationships everyone has different perceptions and they also react differently when facing challenges Differences in lifestyle and exposure and even Christian homes can create relationship issues Healthy relationships are fostered by properly addressing problems and conflicts in the proper manner God's principle is that people should respond to their differences in a Biblical way and use their disagreements to promote growth and development The primary factor is for the couple to cohabitate in love
