Marty Kirsten Jr., 2015-02-13 This book is a compilation of all the various emotional phases a human encounters in their life There are various emotions and feelings that are exposed in hopes of allowing other people the opportunity to know they are not alone in their thoughts or feelings I'm hoping that many of my expressions are something that everyone can read and associate with a part of their life whether painful joyful playful or just outright ridiculous and realize they are not alone The works that are expressed here were influenced by past loves passion depression and outright silly waste of time but all are a snapshots of time that represent a feeling or thought at that very moment Throughout his life he realized not everyone shared his belief system but everyone shared the emotions he went through Realizing it was not hard for him to express these feelings through poems he wrote these down for others to view This is a compilation of his years of work Not knowing how to express feelings can be very frustrating Hopefully these works will help people to better understand the complex nature that makes up the human being In reading about topics through poetry I'm hoping that other people can too investigate the complex nature of the human soul Love, Ultimately Pasquale De

It describes a Love that has been addressed before, after all, there is essentially nothing new to add to the wisdom of the Holy Scriptures of both East and West, yet the way this Love is addressed is new and speaks to us at the beginning of the 21st century in a way that touches us deeply. JUST LOVE is expressed by someone who not only knows about the all-pervading Divine force that forms the creation of the Universe but who is completely one with it. JUST LOVE is the first major book written with words directly from Sri Swami Vishwananda. It contains a collection of 52 talks expressed by a fully realized soul to enable each and everyone to attain the Divine Light in a simple way. Sri Swami Vishwananda's message is simple: Just Love.
