

A dramatic landscape featuring dark, silhouetted mountains in the foreground. The sky is filled with large, textured clouds, with a bright, golden light source (the sun) breaking through near the horizon, creating a warm glow and long shadows. The overall mood is contemplative and inspiring.

True love is like the sun,
shining with its own light, and
offering that light to everyone.

Love Is Like The Sunlight:

A Love Like the Sun Riss M. Neilson, 2024-06-11 THE USA TODAY BESTSELLER Perfect for fans of Abby Jimenez Kennedy Ryan and Carley Fortune aka me Emily Henry Beautifully blending beloved tropes and smooth often lyrical prose Two lovers navigate challenges related to mental health racial identity grief and a chronic illness NPR Lifelong best friends spend a fateful summer discovering what might happen if they were to be something more in this radiant heart clenching adult debut Laniah Thompson is a homebody who craves privacy Issac Jordan is internet famous and spends his days followed by paparazzi She runs a small business with her mom in her hometown He runs an international brand And they've been best friends since childhood When Issac comes home to Providence for the first time in months and discovers Laniah's dream is slipping out of reach as she and her mom struggle to pay the bills at Wildly Green their natural hair store she refuses to take a dime from him And so he does what any self-respecting best friend would do tells the world they're dating Suddenly business is booming and Laniah agrees to his ridiculous plan to pretend to be lovers for the course of the summer Just long enough to catch the eye of an investor and get her dream back on track like she helped him do so many years ago he reminds her Too soon though Laniah knows she's playing with fire because for as long as they've been friends there's an undeniable pull they've never given in to And as the lines between art and life real and pretend blur it becomes harder and harder to see where friendship ends and something else begins Told over the course of three sizzling summer months *A Love Like the Sun* is about shared history those who make us our bravest selves and love in its many forms Dazzling tender and romantic Carley Fortune

To My Annie Book 3 Wade Powers, 2018-08-29 *To My Annie Book 3* is a follow up to the two previous works Each is a compilation of one hundred poems written for and dedicated to Annie the author's love and inspiration A few of the poems are generalized but the preponderance is composed in a romantic theme and seeks to express the wonder and astonishment that two people can hope to discover Some of the poetry alludes to the struggles and darkness that is simply a part of human existence but the effort of the author is to regale always on the strength and enduring power of love devotion and commitment Much of the poetry refers to the Bible and spiritual strivings because by seeking to understand how God loves us we can glimpse into the eternal through that lens of love that He created **Jacob's Ladder** Peter

Kreeft, 2013-01-01 There are ten important questions everyone should ask and the answers to these questions which lead to ultimate truth are a matter of reason not of faith Well known Catholic philosopher and writer Peter Kreeft tackles each of these questions in a logical step by step way like climbing the rungs of a ladder Because questions are best answered by dialogue Kreeft answers these fundamental questions in an imaginary conversation between two very different people who meet at the beach Kreeft's characters begin at the beginning at the bottom of the ladder which is the passion for truth When it comes to the most important questions a person can ask no mere interest in philosophical dabbling will do The passion for truth does not stop there however but carries the reader from one page to the next in this thought provoking adventure of

the mind Among the topics or steps that Kreeft's characters delve into include Do you have the passion to know Does truth exist What is the meaning of life What is love and why is it so important for our lives If there is a God what proof is there for his existence Has God revealed himself to us in a personal way And many other important questions and topics to help climb the ladder to the truth about life *Love Is Like the Sunlight* Mary A.
