Love Letters From the Heart Patricia Gaskins Roberts, 2025-07-16 Love Letters From The Heart are poems inspired over the years through conversations life experiences and the love of God and family **Love Letters Made Easy** Gabrielle Rosiere, 2009-01-01 This delightful 1919 book reprinted here in a charming replica edition is a complete guide to what one needs to know to write the perfect love letter While the advice may be amusingly dated in some of its details the hidden codes in the alignment of postage stamps are probably no longer appreciated today the broad counsel would be wisely heeded by those wounded by Cupid's dart and hoping to make their best written impression on a beloved Here the lovestruck reader will find admonitions that particular kinds of thoughtfulness like remembering birthdays and anniversaries are always treasured practical reminders such as Don't write like the tracks of an intoxicated hen and guides to which gifts go best with a love letter Some conundrums of 21st century lovers are not of course here addressed you're on your own in deciding whether it's appropriate to propose marriage via email but almost every contingency a tongue-tied lover may face is addressed with assistance as useful as it is timeless **Love Letters to God** Susan Sievert, 2023-11-06 My book is first to praise God Jesus and Holy Spirit and also to express words of love to Mother Mary Virgin Mother may these words speak to your heart as they have me **Earth is Hiring** Peta Kelly, 2018-01-31 Is hustle and grind really the message of The New Way Is financial freedom really what it's about is living life on our terms really the summit of this mission Is The New Way about becoming more successful than our generations before us This book is a conversation about The New Way to Live Lead Earn and Give It is a collection of insights and ideas about how we can and how we are changing the world It's an invitation to the New Superheroes the people all over the world who give a shout about each other and our earth to lighten up in our work as Game Changers It's a time stamp so that our kids and their kids can read it and say oh so that's what you were growing through back then The New Way is not just about having more money at the end of the month Success as we'd been taught isn't sufficient Success to our generation looked and felt completely different to what it looked and felt like to generations before us We millennials do not thrive off gains in a capitalist society The religious separation that our parents generation know is torturing our hearts Our planet isn't a place for us to holiday but a place of permanent residence with the requirement that we nurture and love our Mother Earth as our one collective mother There is no top when it comes to leadership but instead we're all about the power of tribe We don't care to move forward at lightning speed but would rather to stop and go back to our indigenous roots and ensure that ancient wisdoms are never forgotten Taking care of our brothers and sisters who are without basic necessities is the only way we all win Play is everything We're here to change the world but we've gotta stop taking it so seriously We're here to use our talents and abilities to create epic shit but we've gotta stop missing the point along the way It's time for us to thrive like no generation before us ever has It's time for us to show the world how good it's really meant to be This book is for the millennial conscious leaders and entrepreneurs those ushering in

Love Letters and the Romantic Novel during the Napoleonic Wars Sharon Worley, 2017-01-06 Love letters during the Napoleonic wars were largely framed by concepts of love which were promoted through novels and philosophy The standard texts so to speak which were written by major authors who inherited this Enlightenment bearing responded to the emerging concepts of love found in novels and philosophical essays Love among this Napoleonic coterie is unique because it demonstrates the reciprocal relationship between the love letter and the romantic novel Germaine de Staël Juliette Rcamier Chateaubriand Benjamin Constant Lady Emma Hamilton Napoleon Bonaparte and his brother Lucien Bonaparte were the authors and recipients of some of the most passionate love letters of this period They were also avid readers of the newly emerging genre of the romantic novel and many of them were also authors of such works where they projected their personal romances onto the characterization of their fictional heroes and heroines In addition these authors had lived through the recent French Revolution and the Terror Imprisoned during the Revolution or branded as emigrants upon their return to Paris their mature adult lives were spent in the shadows of the Napoleonic wars in which they shifted political loyalties as the specter of Napoleon's powers grew from First Consul to Emperor of Europe The looming threat of war ignited the depths of their passions and inspired their intellectual analysis of love happiness and suicide Their evolving concept of love was a romantic all consuming passion which gripped the lovers in fatal embraces This book's analysis of their love letters and romantic novels reveals the emerging political landscape of the period through extended metaphors of love and patriotism
