Love Lies A Loss:

Pilgrimage through Loss Linda Lawrence Hunt, 2014-01-31 The death of a child immerses parents into a life long challenge of living with one of life's most heartbreaking losses Pilgrimage through Loss tells the story of one family's journey along with interviews from thirty other mothers and fathers who add their voices to the silences that often surround suffering in our mourning avoidant culture Hunt illuminates the varied pathways parents eventually discover that open their lives to strength and healing Rather than prescribing a path that will lead to recovery Hunt encourages parents to find the pathways that work for them as they seek to engage life again with meaning and hope Each chapter includes questions for reflection and discussion plus recent research on grief and loss Pilgrimage through Loss not only helps grieving parents it also provides an insightful resource for those wanting to understand and come alongside a family in grief The Poems of Dylan Thomas Daniel Jones, 2003 The highlight of this complete edition of poems is a CD containing vintage recordings of Thomas reading eight of his works in his famous Welsh singing style **Unspeakable** Rachel Hope Cleves, 2020-12-08 The sexual exploitation of children by adults has a long fraught history Yet how cultures have reacted to it is shaped by a range of forces beliefs and norms like any other social phenomenon Changes in how Anglo American culture has understood intergenerational sex can be seen with startling clarity in the life of British writer Norman Douglas 1868 1952 who was a beloved and popular author a friend of luminaries like Graham Greene Aldous Huxley and D H Lawrence and an unrepentant and uncloseted pederast Rachel Hope Cleves's careful study opens a window onto the social history of intergenerational sex in the nineteenth and twentieth centuries revealing how charisma celebrity and contemporary standards protected Douglas from punishment until they didn't Unspeakable approaches Douglas as neither monster nor literary hero but as a man who participated in an exploitative sexual subculture that was tolerated in ways we may find hard to understand Using letters diaries memoirs police records novels and photographs including sources by the children Douglas encountered Cleves identifies the cultural practices that structured pedophilic behaviors in England Italy and other places Douglas favored Her book delineates how approaches to adult child sex have changed over time and offers insight into how society can confront similar scandals today celebrity and otherwise Sisterhood of the Lost Cause Jennifer Lynn Gross, 2025-04-01 Historians have thoroughly documented the vast devastation of the Civil War In the attention they have paid to aspects of that destruction however one of the most obvious ramifications appears routinely overlooked Confederate widowhood Jennifer Lynn Gross's Sisterhood of the Lost Cause helps rectify that historical omission by supplying a sweeping analysis of women whose husbands perished in the war *Lest We Lose Love* Scherto Gill, 2023-04-18 Few are aware that since antiquity there has always been the philosophy of love at the core of Western culture It articulates what makes life meaningful and worthwhile and how we can live a good life together through an ethic of love This book fills this significant gap not only reconnecting the reader with such important wisdom and more crucially also reorienting our socio economic institutions and

collective actions towards more loving and caring and more concerned with the qualities of our lived experiences By re-discovering the gifts of love we may challenge the existing systemic dehumanisation and draw from knowledge and understanding already present in our culture This is timely because the global crises we are facing are catastrophic especially when it comes to climate change Therefore we must respond from a place of love rather than fear Whether it is reducing the use of fossil fuels lowering greenhouse emission choosing the right food to eat or advocating for structural transformation our concerted endeavours start with an appropriate appreciation of the nature of our well being which includes the planet's well-being This book highlights a clear pathway forward to ensure collective healing and co-flourishing with nature we must practise the art of loving *His Song* Elizabeth J. impulse can be fruitfully informed by psychoanalytic ideas It could be argued that there is a particular affinity between poetry and psychoanalysis in that both pay close attention to the precise meanings of linguistic expression and both though in different ways are centrally concerned with unconscious processes The contributors to this volume nearly all of them clinicians with a strong interest in literature explore this connection in a variety of ways focusing on the work of particular poets from the prophet Ezekiel to Seamus Heaney Part of the Tavistock Clinic Series **Otttemiller's Index to Plays in Collections** Denise L.
