Love Rules Silent Hollywood And The Rise Of The Managerial Class:

Love Rules Mark Garrett Cooper,2003 Arguing for a sweeping new consideration of the shift from print to cinema as a governing system for organizing modern American social relations this book uncovers an intimate connection between Hollywood romances of the silent era and the empowerment of a managerial class During the 1910s and 1920s American movies told love stories through what rapidly became ubiquitous images Again and again silent features showed lovers separated by seeming happenstance and reunited as if by magical forces Mark Garrett Cooper argues that this magic implies the expertise of the corporate movie studio with its hierarchies of professional experts In other words the Hollywood love story amounts to a managerial technique Through close study of such films as Birth of a Nation Enoch Arden The Crowd Why Change Your Wife and The Jazz Singer Love Rules shows how cinematic romance offers an object lesson in how to arrange American society a lesson that implies that such work can be accomplished only by a managerial class Love Rules offers a boldly original account of how the Hollywood feature film supplanted the imagined community of print culture and in doing so played a key role in the transformation of American mass culture

Hard Hats, Rednecks, and Macho Men Derek Nystrom,2009-10-21 Everywhere you look in 1970s American cinema you find white working class men They bring a violent conclusion to Easy Rider murdering the film s representatives of countercultural alienation and disaffection They lurk in the Georgia woods of Deliverance attacking outsiders in a manner that evokes the South s recent history of racial violence and upheaval They haunt the singles nightclubs of Looking for Mr Goodbar threatening the film s newly liberated heroine with patriarchal violence They strut through the disco clubs of Saturday Night Fever dancing to music whose roots in post Stonewall homosexuality invite ambiguity that the men ignore Hard Hats Rednecks and Macho Men argues that the persistent appearance of working class characters in these and other films of the 1970s reveals the powerful role class played in the key social and political developments of the decade such as the decline of the New Left and counterculture the re emergence of the South as the Sunbelt and the rise of the women s and gay liberation movements Examining the youth cult film the neo Western southern and the new nightlife film Nystrom shows how these cinematic renderings of white working class masculinity actually tell us more about the crises facing the middle class during the 1970s than about working class experience itself Hard Hats thus demonstrates how these representations of the working class serve as fantasies about a class Other fantasies that offer imaginary resolutions to middle class anxieties provoked by the decade s upheavals Drawing on examples of iconic films from the era Saturday Night Fever Cruising Five Easy Pieces and Walking Tall among others Nystrom presents an incisive evocative study of class and American cinema during one of the nation s most tumultuous decades

Happy Endings in Hollywood Cinema James MacDowell, 2013-07-22 Hollywood happy ending has long been considered among the most famous and standardised features in the whole of narrative filmmaking Yet while ceaselessly invoked this notorious device has received barely any detailed attention from the field of film studies This book is thus the first in depth examination of one of the most overused and under analysed concepts in discussions of popular cinema What exactly is the happy ending Is it simply a cliché as commonly supposed Why has it earned such an unenviable reputation What does it or can it mean Concentrating especially on conclusions featuring an

Universal Women Mark Garrett Cooper, 2010-03-10 Between 1912 and 1919 the Universal Film Manufacturing Company credited eleven women with directing at least 170 films but by the mid 1920s all of these directors had left Universal and only one still worked in the film industry at all This book explores how corporate movie studios interpret and act on institutional culture in deciding what it means to work as a man or woman In focusing on issues of institutional change the author challenges interpretations that explain women's exile from the film industry as the inevitable result of a transhistorical sexism or as an effect of a broadly cultural revision of gendered work roles He examines the relationship between institutional organization and aesthetic conventions during the formative years when women filmmakers such as Ruth Ann Baldwin Cleo Madison Ruth Stonehouse Elise Jane Wilson and Ida May Park directed films for Universal

Ready for My Closeup David M. Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel a cultural history about the making and lasting significance of *Sunset Boulevard* whose piercing and in many ways prophetic critiques of fame continue to resonate today Great films are born of great collaborations and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history but its production was surprisingly fraught filled with unexpected twists Why was William Holden who had never caught fire as a leading man hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond how did Billy Wilder convince Gloria Swanson who had long been absent from Hollywood at this point to leave her low paying job as a TV talk show host to join the cast From the writers

room during Billy Wilder and Charles Brackett's final collaboration to the moment when the film won three Academy Awards scholar and former Rolling Stone staffer David M Lubin takes readers on a fascinating journey through film history that proves once and for all why *Sunset Boulevard* is one of the most iconic films in cinematic history Just in time for the film's 75th anniversary *Ready for My Closeup* breathes life into a beloved masterpiece of American cinema

Ashcan Art, Whiteness, and the Unspectacular Man Alexis L. Boylan, 2017-04-20 Arriving in New York City in the first decade of the twentieth century six painters Robert Henri John Sloan Everett Shinn Glackens George Luks and George Bellows subsequently known as the Ashcan Circle faced a visual culture that depicted the urban man as a diseased body under assault Ashcan artists countered this narrative manipulating the bodies of construction workers tramps entertainers and office workers to stand in visual opposition to popular political and commercial cultures They did so by repeatedly positioning white male bodies as having no cleverness no moral authority no style and no particular charisma crafting with consistency an unspectacular man This was an attempt both radical and deeply insidious to make the white male body stand outside visual systems of knowledge to resist the disciplining powers of commercial capitalism and to simply be with no justification or rationale Ashcan Art Whiteness and the Unspectacular Man maps how Ashcan artists reconfigured urban masculinity for national audiences and reimagined the possibility and privilege of the unremarkable white male body thus shaping dialogues about modernity gender and race that shifted visual culture in the United States
