[365 Connecting Questions for Couples](#) Gary Love, 2020-11-25. Do you remember how well you felt on the last trip? For sure, you remember. The Newlywed Game, that television show where couples attempted to answer questions about their spouses for cash prizes. Do you recall smirking at people who couldn't recall if their husband liked skiing or surfing, and wives who weren't sure about the color of their husband's eyes? Have you considered how many things you don't know about the people you care about? Have you wondered why your partner doesn't ask you questions anymore? Do you ever wonder about your lover's first kiss or their relationship with their mother? Do you wish your partner would inquire about your past? Indeed, questions are waiting inside of you. Now it's time to ask. Unfortunately, too often, these forums don't take place in the most critical arenas between friends, lovers, partners, and people who play critical roles in each other's lives. The problem is: THE QUESTIONS JUST AREN'T ASKED. When was the last time you shared a dream, a memory, or a feeling with your partner? If it has been a while, it's time to get started. Put merely 365 Connecting questions for couples, and it will allow you to get closer to your partner. Find some quiet time and comfortable space and sit with this book. Flip through and find a question that you've never asked before. This book will be yours in a way that no one else can ever be. But it is only for people that want to rediscover why they fell in love with each other. Are tired of running all day long and need to get really together in the evening. Want to relive the past atmosphere and the same emotions after years. Don't give up and know that a relationship must be nurtured and supported with love. Look inside themselves to find themselves. Want to leave their children a testimony of what they have been. In our busy world, emotional connections are buried under the pressures of daily life, closing lines of communication within families. THIS BOOK is made for couples married and not, but it is truly excellent for anyone who wants to embark on a journey of self-discovery. Indeed, the large space to write on makes it a nice personal diary, too. There is really no reason not to try to take home a piece of your life today.
