Love Is An Awesome Thing:

Prone to Love Jason Clark,2014-02-18 Stop trying to become who you are already are Prone to Love is a straightforward and disarming a breath of fresh air Bonnie Chavda Founder and Pastor of All Nations Church If you have been around Christian circles long enough you have heard the phrase child of God As believers we use language like this all the time describing our relationship with the Father but do we really know what it means What if we actually lived out of the relationship and reality we talked preached and sung about Easy We would change the world The roadblock preventing us from stepping into our identities as sons and daughters of God is not lack of discipline resources or creative ideas We have all of this What's missing To discover who you are first you must know Who the Father is and what He's like You can't read Prone to Love and not recall the goodness of God in your life Shawn Ring Executive Pastor Gateway Church [Tower](#) Avanesia,2012-02-01 An ancient throne reveals forgotten tales of the bravest and noblest of kings Vikramaditya When Upa's father gets kidnapped from the tiny village where he was working Upa and her mother move to her great grandmother's house in a small town to recover from the shock There the dejected and worried mother and daughter are befriended by an odd looking stranger who insists on telling them stories of King Vikramaditya and his long lost throne Centuries after Vikramaditya's death King Bhoja unearthed his magnificent throne and decided to make it his own But each time he set foot on it a statue carved on its side came alive and told him a story of Vikramaditya's kindness The statue warned Bhoja that he should sit on the throne only if he could match Vikramaditya in his deeds and each time Bhoja came away humbled For whether he was diving to the bottom of the seas to discover fantastic jewels or deflecting the planet Saturn from its path in order to save his kingdom or simply trying to help a miserable cow fallen into a ditch there was never one to match Vikramaditya in courage and generosity As Upa and her mother listen to these magical stories they begin to see the goodness in the people around them and recognize the relevance of the tales of King Vikramaditya in their lives today Thought provoking and always entertaining Poile Sengupta's retelling of these ancient stories makes them come alive like never before **The People's Bible** Joseph Parker,1895 **Proceedings of the Stated Convention of the ... Of the Imitation of Christ, 1887

The True Christian's Love for the Unseen Christ Thomas Vincent, 2025-05-30 Christian live is primarily motivated by our love for Christ Without manifesting love to Christ we are as entirely lacking spiritual life as a dead body lacks life when its soul departs for the other world Therefore professing a belief without loving Christ is dead religion and thus a professed believer who has no love to Christ is a dead man dead in transgression and sin Without a biblical love to Christ we may pretend to be Christians but we would lack entirely the true nature of a Christian In treating the true love of Christians towards Christ this book is like any other Puritan devotion intertwined with clear doctrine and sharp biblical precision in statements permeates this book on every page of it You will be unable to put it down and your life and devotion to Christ will be changed forever This book was originally published in 1812 under the title The True Christian s Love for the Unseen Christ The current edition has been proofread typeset for eBook readers and slightly updated for modern readers
