Good & Truth: The Art of Spiritual Balance Clayten Tylor,2023-08-06 The idea of love hopefully includes romance sex and reciprocity Yet the archetypal idea of love brings a greater use into the love act and when that good use gets developed within each of us as individuals there is a greater chance of manifesting the outer riches we are seeking The Archetypal idea of love has a higher use besides manifesting in individuals as good use The goal is for it to build a permanent home in us Yet most times the body does not live a full life or long enough to achieve it An inner permanent home gets made from the affection of love in proportion that an individual dwells on it and hopes for it A good use would be using the affection of archetypal love to unite all levels of our being and to begin a new relationship from within Even the idea developed while you read this book is enough to attract the affections that cause our own spiritual regeneration We are reaching into the archetypal world where it all began looking to align ourselves inwardly spiritually equally to the feelings of love and acceptance that we are seeking outwardly Once we balance the inner with the outer the polarity of the body shifts to the center and the archetypal love as intuition restores our memory of what we truly are In that memory of ourselves a feeling radiates out from our body as big as the universe The mind begins to understand concepts of archetypal love We immediately comprehend that the more we enclose others in our affectionate love the more the good use can make a permanent home in our body When the inner center strengthens all mind chatter ends Every time we make ourselves feel as big as the universe we are filled with the memory of the One Self Yet each time we bring ourselves back to thinking of ourselves in a body we attract the pleasurable feeling of Conjugal love Forthcoming Books Rose Arny,1984 **Paperbound Books in Print** ,1984 Subject Guide to Books in Print ,1984 *The Anti Stupidity Book* Duane L. Ostler,2016-04-26 Stupidity What is it Is it just something we see our neighbors and members of the opposite political party do Or is it something more Why does it seem to be so universal Are there fundamentals of stupidity that can be recognized These are the questions discussed in this book It presents six fundamentals of stupidity that lead to the stupid choices that we see all around us Included among these are the belief that there are no moral values that God does not exist and that it is acceptable to become addicted and to treat others badly and be proud In the end we see that the only sure way to avoid the fundamentals of stupidity is through the saving power of Jesus Christ **Books in Print Supplement** ,1984 *Wisdom's Daughters* Cathy Pagano,2013-01-24 Wisdom is Women's Gift to the World In the many cultural stories that speak about the changing of the ages it is always Feminine Spirit which brings about the transition to new life for Feminine Spirit knows the rhythms of life death and rebirth and is the opener of the way In times of cultural transformation it is also our right brain feminine consciousness that is our best guide for it opens us to the creative imagination the realm of possibility The return of the Goddess awakens the transformative energy that births the changing of the ages In the western story of worldwide spiritual transformation there is
