Edwards,2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God s character Forgotten Power David Butts,2015-08-01 Much power has been ignored by the Church because of its failure in the area of prayer David Butts from the Introduction Forgotten Power is a simple theology book on prayer in the church No one argues against prayer but few churches utilize prayer as a power source Yet in the Scriptures and in the early church prayer was the primary method used to tap into the power of the Holy Spirit So why don t we use it much Forgotten Power clearly challenges the main reason that churches do not pray people do not understand the whys of prayer Forgotten Power is a must read for pastors elders church board members anyone who leads in a church It is time that leaders understood the importance of prayer and what can happen if it is put into practice in their church Use it as a discussion starter in your church
