Love That Lasts How To Find And Be A Permanent Partner:

Finding Love that Lasts Vera Sonja Maass, 2012-03-08 Why do people find themselves repeatedly single when they are desperately searching for the perfect soul mate with whom to share their future lives In their determination to find the perfect partner individuals perception is less than accurate when blinded by emotions expectations or wishful thinking Consequently having made decisions based on incomplete information all too often people find themselves once again at the breakup of what had seemed to be a promising relationship The time has come for dispelling the notion that love is blind and for exploring paths that have a more promising outlook for happy endings paths that include the wisdom of knowing oneself and the willingness to face prospective partners with open eyes and an inquiring mind before considering any commitment Finding Love that Lasts is not a book about saving or improving relationships rather it is a book about the often unfortunate combinations of partners deciding to commit to each other for significant parts of their lives and the ways in which people can break the patterns that cause them to seek out similar partners and relationships that are often doomed to fail Here Maass explains why people repeat the patterns that cause them to end up in failed relationships Case histories from patients volunteers from the general community and participants in personal growth groups help offer insight into the negative patterns people commonly repeat in their search for lasting love and companionship Readers will come away from this book with a better understanding of those patterns how to recognize and break them and how to move forward to healthier and more rewarding relationships

Liberty and Love Peter Malekin, 2025-09-01 The latter half of the seventeenth century was a time of great social and political upheaval reflected in the literature of the period in a way which is often bewildering to the modern reader Choosing two themes which greatly occupied contemporary writers the state as an enlarged family and the family as the state in miniature Peter Malekin in his book *Liberty and Love* originally published in 1981 brings both critical insight and research in social history to bear on a rich variety of seventeenth century literature The burning political issue of the day was the nature of the constitution Peter Malekin's discussion ranges over the abstract political philosophy of Hobbes Filmer and Locke the Putney Debates and selections from the poetry of Milton Marvell Denham and Dryden to show how writers treated the issue not just as a political question but as a way of expressing their thoughts about the nature of man The role if not the nature of women was another contentious issue in seventeenth century society Through a discussion of the poetry and of Restoration comedy Malekin describes women's relations with their families with men and with the world at large and analyses their bid for greater independence during and after the Civil War This refreshingly lively and original book draws together works which are too often treated in isolation and will help students to enjoy the literature of a period close in spirit to our own

Parkers' Encyclopedia of Astrology Derek Parker, Julia Parker, 2012-01-01 Derek and Julia Parker are two of the most famous and best selling names in the field of astrology their Compleat Astrologer introduced thousands to the subject With this new

encyclopedia they have produced a must have tool for the professional student and amateur astrologer The Parkers work encompasses everything from the entire history of astrology to its terms and techniques There s plenty in here for everyone fascinating facts and anecdotes biographies of top astrologers textbook definitions of such phrases as trine aspect and answers to such questions as Are Scorpios REALLY sex mad **The Compleat Astrologer's Love Signs** Derek Parker, Julia Parker, 1974 *Everyday Astrology for a Better Life* Sasha Fenton, 2014-12-18 A sun sign or star sign is the sign of the zodiac that you are born under Everyday Astrology For A Better Life shows how sun sign astrology the most straightforward form of ancient science can unlock your hidden potential and reveal your true personality This unique book offers an engaging in depth analysis of every zodiac sign It also explains how astrology can influence and improve every area of your life from health and well being to working life money and home Packed with detailed compatibility charts that will help you achieve your potential in love passion and friendship this practical illustrated guide channels the secrets of the stars to help you to live life to the fullest Going Solo Jean Renvoize, 2023-08-09 Originally published in 1985 this at the time controversial book explores the fundamental changes in personal relationships that had taken place over the previous decade focusing on women who had deliberately chosen to have children outside a permanent relationship After travelling widely throughout Britain the United States and Holland meeting those personally involved Jean Renvoize discusses why a growing number of women were deciding to become single mothers She discovers the implications of this for the future of the family and for old style love and commitment between the sexes She analyses the position both of the children of these single families and of their mothers She looks at men s feelings about being used a stud and uncovers the desire of some men to have a family without being financially and emotionally involved with a long term partner Importantly Jean Renvoize places the new style of personal relationship in the context of the advance of the women s movement It is clear that ordinary and non political women s and men s lives have been more fundamentally changed by feminism than they may realise But few of the mothers interviewed by the author are actively feminist lesbians apart they all have in common past relationships with men and would happily settle with the right man could their high expectations be met Without exception all those who made the deliberate choice to go solo have loving joyful and rewarding experiences of motherhood Having a child alone has been fraught with problems for all but those who have met the challenge have found such great fulfilment that one is faced with an inevitable question are a woman and her child better off without a man When so many marriages end in divorce is a stable unit of two better than a broken unit of three But also might those without the motivation of successful solo mothers rush thoughtlessly into motherhood and find themselves exhausted broke and very unhappy Presenting in their own words the experiences of those directly involved this was above all a practical book It provided welcome and necessary insights into the changing pattern of relationships at the time for the married and unmarried for parents and non parents Today it can be read and enjoyed in its historical context
