**Magic Potion** Mahrouyeh Maghzi, 2014-12-17 A woman has invited 25 women and 25 men to come and listen to her talk about her book and ask them whether or not to publish it. In a small square room, she finds 23 men have arrived. She stays outside the room and speaks to them telepathically about relationships honouring the female principle and the meaning of life. What does the story of the Garden of Eden mean? Later, she comes into the room and educates them about the role of women and raising the men's consciousness. She embodies light and takes them into another mental realm. She tests their ideas, surprises, and shocks them to help them evolve. One of them finds that the book on the lectern is blank. In the end, we realize she hasn't written a book but lived it. Maghzi states: "This book is one woman's vision which has been reduced to a readable form. This book is about a woman who raises her voice on behalf of those women who have suffered through the centuries. This book is about cutting selfish self's rough and uneven edges in order to become wiser and smarter to circle the wiser and smarter beloved."

**New Moon Magic** Risa Dickens, Amy Torok, 2023-09-12 Harness the power of lunar magic with 13 essential practices for the modern witch, one for each New Moon of the year. Fresh, fierce, and unapologetically feminist, this is both guidebook and rallying cry: an intersectional and inclusive magical praxis that resists, disrupts, and opens the door to nourishment, abundance, and transformation for readers of *Psychic Witch* and *The Spell Book for New Witches*. In *New Moon Magic*, Missing Witches authors Risa Dickens and Amy Torok offer witchy practices to change your life and reshape the world without falling prey to the commercialization that belies the true heart and power of magic. Witchcraft is praxis: how we do what we believe and how we make those beliefs manifest. *New Moon Magic* is an offering to all witches honoring the Craft's roots in centuries of

empowerment survival and resistance despite capitalism's attempts to co-opt and dilute its practice Here Dickens and Torok reclaim tools of witchcraft as the ways and means of enchantment imbued with magic that resists commodification and capitalism The authors introduce 13 New Moon practices each paired with a Witch who embodies the Craft Potions with Cerridwen and St Hildegard von Bingen Divination with Lozen and Harriet Tubman The Garden with Mayumi Oda Ritual Ceremony with Genesis P Orridge The Circle with Audre Lorde Through historical research interviews and the authors own raw personal stories New Moon Magic offers wisdom and guidance from real Witches past and present It shows you how to take up tools and practices discover or rediscover your own magic and nurture a Witchcraft that creates instead of consumes
