secret so powerful that the Brotherhood itself has been on a quest to find it for three hundred years For those of us lacking the resources to excavate occult secrets hidden beneath the Louvre or the Rosslyn Chapel or within CIA Headquarters The Shadow of Solomon is the next best thing These pages reveal the true secrets of Solomon from masonry to magic Laurence Gardner s personal experience as both a Templar and a mason makes this fascinating journey through the history of the Bible Knights Templar Freemasons and everything that followed all the more striking and immediate Is it an accident that the world s attention should be turned to these men and their strange lexicon of symbols and secrets RIGHT NOW What will happen when we understand that there is something we all have in common that is greater than nation or religion Freemasons are often said to be the world s most influential secret society yet the story of this enigmatic fraternity is wrapped in mystery and intrigue Their involvement in shaping political world events has stretched over centuries even to the extent that masonic principles lie beneath the establishment of the United States and its Constitution The Shadow of Solomon is the definitive insider s account of the startling truth behind masonic history and the centuries long search that the fraternity has undertaken to find its own lost secrets Mozart Stanley Sadie,1966 **The Heresy of Jacob Frank** Jay Michaelson,2022 The Heresy of Jacob Frank is the first monograph length study on the religious philosophy of Jacob Frank 1726 1791 who in the wake of false messiah Sabbetai Zevi led the largest mass apostasy in Jewish history Based on close readings of Frank s late teachings recorded in 1784 and 1790 this book challenges scholarly presentations of Frank that depict him as a sex crazed degenerate and presents Frank as an original and prescient figure at the crossroads of tradition and modernity reason and magic Kabbalah and Western Esotericism Frank s worldview combines a skeptical rejection of religious law as ineffectual and repressive with a supernatural esoteric myth of immortal beings material magic and worldly power With close readings of the theological and narrative passages of Frank s teachings Michaelson shows how the Frankist sect evolved from its Sabbatean roots and the infamous 1757 59 disputations before the Catholic Church into a Western Esoteric society based on alchemy secrecy and sexual liberation Sexual ritual apparently tightly limited and controlled by the sect was not a libertine bacchanal but an enactment of the messianic reality a corporealization of what would later become known as spirituality While Frank was undoubtedly a manipulative even abusive leader whose sect mostly disappeared from history Michaelson suggests that his ideology anticipated themes that would become predominant in the Haskalah Early Hasidism and even contemporary New Age Judaism In an inversion of traditional religious values Frank s antinomian theology held personal flourishing to be a religious virtue affirmed only the material and transferred messianic eros into social sexual and political reality
