

Magic Moments

**Magic moments happen in our lives
when we are kissed by an angel
under the moonlight.**

**A magic moment we cling on to,
just one of the many magic moments
our lives pass through.**

**The sweet scent of flowers that surround us
in the summer while love lingers in the air,
more magic moments there.**

**Magic moments that fill our lives with joy,
moments that rekindle love's dying flame
making it burn strong again.**

Magic Moments Jerome Jay Miller, 2006-06 *Magic Moments* is a selection of poetry from the work of three poets. It runs through a gamut of various forms of poetry as it travels a gauntlet of emotions. An adventure awaits you. Let your imagination free as you read poems from the narrative section. Relive the good and bad times as you read from *Memories*. Exercise and stimulate your mind with selections from *Deep Thoughts*. Relive love past and dream of love to come and recall those who have gone in *Romance*. Love and Loss. If you dare delve the deep in *The Dark Side*. Maybe your time is short.
