The Hole in the Magic Shield Lucian Randolph, 2011-12-21 Great Book Intense and gripping story Good character development and compelling story Hard to put this book down Waiting for the next installment Tony via Amazon review Addicting Can't wait for the next one Enjoying the countdown and the adventure Never a dull moment Hope the next one is soon tm via Amazon review In 41 hours the world as we know it will end Like it has done every twenty six millennia the magnetic field of the earth is about to be short circuited by a series of massive solar storms which will destroy our modern technological society virtually overnight It will take the planet two centuries before the natural protective magnetic field will build back up to full strength While it is weakened the surface of the earth will be scorched by the sun and daylight will become dangerous to all life The first wave of storms and destruction has already begun but the only people who have the means to help aren't aware of the impending disaster And the only clue to when the disaster will occur is a mysterious clear rock locked in a black plastic case New characters and fresh dangers arrive building the mystery and intrigue all while the deadline approaches and the world unknowingly counts down to its doom THE HOLE IN THE MAGIC SHIELD continues with the unforgettable story and extraordinary characters from THE GOD IN THE CLEAR ROCK Filled with more epic adventure mystery high tech science and intrigue than the first fast paced thriller the story starts exactly where the last one stopped Over the following 9 hours out of only 41 hours left in the world intertwined wheels of action and new people are set in motion MAGIC SHIELD blends the counting by hour style of the TV drama 24 with the intensely complex larger than life characters and adventure driven plots of Clive Cussler in a page turner that's guaranteed to keep you on the edge of your seat As the intricate story begins to twist and turn fans will relish the cliffhanger maddening mystery and be left scrambling to pick up book three 97k words Lost in MultiSpace William Allan, 2022-08-01 This is the story of a man's impossible journey back home His name is Odis or Ottis or some variation of Odysseus as a nod to another impossible journey although the similarity ends with his name It is also the story of humans impossible journey to leave the nest with infinite choices leading to disaster and infinite more leading to stagnation If one man can find his way home to teach the one way off the planet Earth humanity may survive the galactic collision with Andromeda As an author I see that the current climate is publishers clamoring for LGBTQ characters It is tempting to pander to that demand Instead I chose as my main character's relationship one based on domination and submission Having the privilege of knowing some extraordinarily loving couples in the D S community I observe they are still often treated as politically incorrect in a world supposedly now open to diversity My main character needed an extraordinary relationship to continue to face impossible odds against getting back home which for him was wherever his other half was If you are unfamiliar with the D S community you may get a look at a relationship where like real world D S relationships the sexually submissive half is often the dominant decision maker The protagonist comes from a world far more medically advanced than our own where disease is a historical artifact pregnancy a

choice and even genetic defects have simple cures In such a world there is no biological backlash from the sex act so most of the world has left monogamy behind Our protagonists choose monogamy in a world that now considers it quaint but their torrid relationship leaves them forever satisfied **Elemental Magic** Divya Hariharan,2021-09-28 Take a journey with our 9 blessed writers who have crafted their magic with words to delight nourish stir and entertain the readers Linger over the images drench yourself in the authentic voices who have marked the spectrum of human experience and imaginations with their charming expressions One book nine emerging writers thirteen contributions Poems Sonnet Short stories it s all here Be the first to read this fictional anthology to encounter the beauty and bliss of nature Familiarise with our new authors the fresh and authentic voices who have filled the pages of this anthology with their vast ideas and varied contents through a unique style and message Read and get immersed in the voices within the book and find yourself afresh within these pages
