Religion and Magic in Socialist and Post-Socialist Contexts Alexandra Cotofana, James M. Nyce, 2017-03-28 Religion and magic have played important roles within Eastern European societies where social reality and socio political balance may differ greatly from those in the West Although often thought of as being two distinct even antagonistic forces religion and magic find ways to work together By taking on various examples in the multicultural settings of post Soviet and post socialist spaces this collection brings together diverse historical and ethnographic analyses of orthodoxy and heterodoxy from the pre and post 1989 periods studies on the relationship of religious and state institutions to individuals practicing alternative forms of spirituality and examples of borderlands as spaces of ambiguity This volume is at the crossroads of anthropology history as well as cultural memory studies Its archival and field research findings help understand how repurposing religious and magic practices worked into the transition that countries in Eastern Europe and beyond have experienced after the end of the Cold War **Billboard**, 1973 **Girl Groups** John Clemente, 2013 From the 1950s through the 1980s girl groups were hot and not just because of their looks These rocking women had a profound impact on our culture and left us with a lifetime's worth of memorable tunes Now you can learn about all your favorite female artists and you can build the ultimate girl powered record collection for yourself This expanded and updated book features biographical information of over sixty five of the most significant girl groups of Rock N Roll and Rhythm N Blues everyone from The Supremes to The Go Gos These profiles contain complete discographies for each of the groups and quotes from members of many of the featured groups Also Included A comprehensive list of all girl groups and their labels Pricing for 500 of the most collectible girl group records More than 150 photos This book enables all music lovers to learn how those fabulous voices came together to form the harmonies that captured generations and also find out the most current values of the hottest collectible records **Journal** Philadelphia Orchestra, 1923 *THE TORY LOVER* SARAH ORNE JEWETT, 1901 *the bakitara* John Roscoe, 1968 **Educators Guide to Free Films**, 1970 *The Writings of James Russell Lowell ...: Literary and political addresses* James Russell Lowell, 1890 *The Life and Reminiscences of Gustave Doré* Blanche Roosevelt, 1885 Excerpt from Life and Reminiscences of Gustave Doré Compiled From Material Supplied by Doré's Relations and Friends and From Personal Recollection With Many Original Unpublished Sketches and Selections From Doré's Best Published Illustrations Boswell says he often ran over half London for data or notes and I am sure that in my enthusiasm about Doré I ran over all Paris My labour of love became one of lively and absorbing interest however for I had the good fortune to know the various personages who appear in this work and of whom one may safely say that they are one and all but a shade less interesting than Doré himself in short a fitting frame for such a picture About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged

copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Capturing the Aura 'Integrating Science,Technology, and Metaphysics* C. E.

Lindgren,2008 The aura has been given many names over the centuries chi i prana karnaeem and Illiaster In fact it has been documented for over 5 000 years Astral lights alluded to by ancient Eastern Indians Chinese and Jewish mystics are attributed to a universal energy permeating all matter The aura was described in early esoteric writings and later in those of the Rosicrucians Zen Buddhists Christian mystics even in the oral traditions of the American Indians Now *Capturing the Aura* brings the science technology and metaphysics of auric investigation into a concise and readable book for the 21st century a century that will see continuing integration of science and metaphysics into the MetaScience of the future **Spaces of**

Anticolonialism Stephen Legg,2025-03-01 *Spaces of Anticolonialism* is the first book length account of anticolonialism in Delhi as the capital of Britain s empire in India It pioneers a spatial governmentality analysis of the networks mobilizations and hidden spaces of anticolonial parrhesia or courageous speech and actions in the two decades before independence in 1947 Reading across imperial and nationalist archives newspapers memoirs oral histories and interviews Stephen Legg exposes subaltern geographies and struggles across both the new and old cities which have traditionally been neglected in favor of the elite spaces of New Delhi Presenting the dual cities as one interconnected political landscape Legg studies Indian National Congress efforts to mobilize and marshal support between the mass movements of Civil Disobedience 1930 34 and Quit India 1942 43 The book s six chapters compare the two movements in terms of their public spaces of nonviolent anticolonialism their problematization by violence and their legacies This bottom up analysis focused on the streets bazaars neighborhoods homes and undergrounds of the two cities foregrounds the significance of physical and political space it highlights the pioneering role of women in crafting these spaces and it exposes the microtechniques that Congress used to encourage Gandhi s nonviolence and to tolerate its testing in the face of the rising popularity of the radical left Legg s rereading of Michel Foucault s final lectures on parrhesia produces a bold new approach to questions of postcolonialism resistance and South Asian governmentalities This allows anticolonialism to be read not as an outside but as a coherent and bottom up project of self transformation and space making that was elite coordinated but whose sovereignty lay with a disobedient and not always nonviolent public This book provides an innovative and restive historical geography of spaces of anticolonialism in the capital of contemporary India s 1 4 billion people **Writings** James Russell Lowell,1892 *Literary*
