leadership is particularly extreme at the highest echelons of leading technology organizations Few publicly traded tech companies have female CEOs in fact most nations have zero female leadership in the tech industry This gap does indicate a slow pace of progress for gender equality in tech employment Women s pay still lags nearly a decade behind according to the World Economic Forum meaning that women s on average pay today is the equivalent to that of similarly qualified and similarly employed men in 2006 Without significant progress the current rate of change will not lead to parity for 118 years according to the World Economic Forum WEF However there s significant work being done to shift this tide Take for instance Michelle Lee the first female Under Secretary of Commerce for Intellectual Property and Director of the United States Patent and Trademark Office USPTO reflects on her childhood Girl Scout badge in sewing and cooking and how that memory inspired to create an IP badge that exposes young women to the process of invention Social entrepreneur investor and Malala Fund co founder Shiza Shahid shares her efforts beginning from mentoring young women in Pakistan to her current work directing more investment to women innovators around the globe And Elizabeth Isele a senior fellow in Social Innovation at Babson College shares her research on women and ageism saying we need to retire the word retirement The book is divided into six parts each with unique areas of focus Millennials Leading Exploring Challenges and Opportunities Facing the Next Generation of Women in Technology Men and Women Empowering One Another Bold Leadership Women Changing the Culture of Investment and Entrepreneurship Educating for the 21st Century Breaking the Glass Ceiling A Generation of Women Forging into Technology Leadership Emerging Fields of Technology The Internet of Women gathers examples about the increasingly inclusive and progressive gender culture in technology from over 30 countries Stories range from an entrepreneur in Dubai partnering with private and public sector entities to accelerate blockchain technology to a young British woman moving to Silicon Valley to launch an artificial intelligence platform and incubator The book is intended for corporations academic institutions the private sector government agencies gender experts and the general public and its key benefit is to let the reader understand a path towards implementing diversity overall globally It also showcases the strategies tools and tactical execution on how create cultural change in all parts of the world **The Southern Magicks**

Ashton K. Rose, 2022-08-24 A month ago a demon tore the thin veneer of a normal life I d crafted apart when it almost killed me Revealing my husband Eli as the prodigal son of a powerful magic family When I grew up I walked away from magic Left my remote hometown and pretended the ghosts Gran taught me to see weren t there while I went to university to become a librarian Our one secret tightly held to my heart Never let them know Two years later with no other financial option I moved back to my small hometown It was easy to pretend the fuzzy gaps in my memory weren t there as I got a job under the strict woman who almost killed my childhood love of books I thought everything was perfect when I married my dream guy Then the attack happened The good folks at the local magical law enforcement agency knew about me the whole time They ve pressured me to work for them as an exorcist because they re convinced I was a vigilante who committed multiple murders

My odd intriguing mentor Cory watches for any misstep as I avoid the seduction attempt he's been asked to perform. Now they've accused my estranged older brother of taking over my crimes. I know I was framed despite the gaps in my memory. The worst part: The only people who seem to believe me are my friend June and my journalist cousin Kat. Eli, filled with spite for the local magical rulers, seems to know something I don't and thinks I should play them at their own game and seduce my mentor so we can interrogate him together. *The Southern Magicks* is a small town paranormal urban fantasy mystery series with a M/M/NB menage romantic subplot. For fans of *The Dresden Files*, *Rivers of London*, *Southern Vampire Mysteries*, *Alex Verus* and *The Laundry Files*, who enjoy LGBTQ characters and stories. **WITCHCRAFT: ACTIONABLE**

Between the World of Ta-Nehisi Coates and Christianity David Evans,Peter Dula,2018-10-24 Between the world of Ta Nehisi Coates and Christianity there appears to be the widest

difference Coates's brief comments on Christianity in his highly acclaimed *Between the World and Me* make clear that religious faith is alien to his own experience. Still, Christian audiences from congregations to theological schools engaged the text for its analysis of the state of race relations in the United States. In September 2015 Ta-Nehisi Coates tweeted: "Best thing about *Between the World and Me* is watching Christians engage the work. Serious learning experience for me." This volume takes that tweet as an invitation to theologians, ethicists, and religious studies scholars to engage the book and as a challenge to do so in a way that is a learning experience for Coates, the authors, and readers.
