R.,2004 For over a decade the Sower s Seeds books have been a wonderful resource for teachers preachers and anyone who has to speak in front of an audience Now author Brian Cavanaugh has revised and expanded his original volume with twenty new stories for old fans as well as a whole new audience He includes stories of inspiration warmth and insight arranged around numerous universal themes ranging from awareness compassion perseverance and wisdom to such unusual themes as baseball Thomas Edison hospitality and risk taking While the majority of stories are anonymous there are some attributed to well known names like Zig Ziglar Mickey Mantle and Theodore Roosevelt Years before there was Chicken Soup Sower s Seeds was making readers laugh cry and come away with a warm heart The newest book like the others in the series is ideal both for quiet inspiration and for handy on the run fun This is storytelling at its best *Forest Recollections* Tiyavanich Kamala,1997-03-01 I stayed in the forest for two nights The first night nothing happened The second night at about one or two in the morning a tiger came which meant that I didn t get any sleep the whole night I sat in meditation scared stiff while the tiger walked around and around my umbrella tent klot My body felt all frozen and numb I started chanting and the words came out like running water All the old chants I had forgotten now came back to me thanks both to my fear and to my ability to keep my mind under control I sat like this from 2 until 5 a m when the tiger finally left A forest monk During the first half of this century the forests of Thailand were home to wandering ascetic monks They were Buddhists but their brand of Buddhism did not copy the practices described in ancient doctrinal texts Their Buddhism found expression in living day to day in the forest and in contending with the mental and physical challenges of hunger pain fear and desire Combining interviews and biographies with an exhaustive knowledge of archival materials and a wide reading of ephemeral popular literature Kamala Tiyavanich documents the monastic lives of three generations of forest dwelling ascetics and challenges the stereotype of state centric Thai Buddhism Although the tradition of wandering forest ascetics has disappeared a victim of Thailand s relentless modernization and rampant deforestation the lives of the monks presented here are a testament to the rich diversity of regional Buddhist traditions The

study of these monastic lineages and practices enriches our understanding of Buddhism in Thailand and elsewhere
