Donald R. Wright,2015-05-18 Niumi a small little known territory located on the bank of the Gambia River in West Africa is seemingly far from the reaches of world historical events And yet the outside world has long had a significant and increasingly profound impact on Niumi This fascinating work shows how global events have affected people's lives over the past eight centuries in this small region in Africa's smallest country Drawing on written and oral testimony and writing in a clear and personal style Donald R Wright connects globalization with real people in a real place This new edition updates discussions of global history and African history based on current studies and new developments that have been factored into the interpretive framework Reflecting on recent visits to Niumi Wright extends the story into 2009 to consider the impact of global recession and domestic political repression under a regime in power for the past fifteen years Punctuating the narrative are photographs maps and Perspectives boxes on selected topics such as the sale of slaves five centuries ago colonial sexism the fate of press freedom and how popular culture affects growing up in a traditional society Throughout the author deals with African history seriously global trends critically and human lives sensitively      *Race and Retail* Mia

Bay,Ann Fabian,2015-08-04 Race has long shaped shopping experiences for many Americans Retail exchanges and establishments have made headlines as flashpoints for conflict not only between blacks and whites but also between whites Mexicans Asian Americans and a wide variety of other ethnic groups who have at times found themselves unwelcome at white owned businesses *Race and Retail* documents the extent to which retail establishments both past and present have often catered to specific ethnic and racial groups Using an interdisciplinary approach the original essays collected here explore selling and buying practices of nonwhite populations around the world and the barriers that shape these habits such as racial discrimination food deserts and gentrification The contributors highlight more contemporary issues by raising questions about how race informs business owners ideas about consumer demand resulting in substandard quality and higher prices for minorities than in predominantly white neighborhoods In a wide ranging exploration of the subject they also

address revitalization and gentrification in South Korean and Latino neighborhoods in California Arab and Turkish coffeehouses and hookah lounges in South Paterson New Jersey and tourist capoeira consumption in Brazil Race and Retail illuminates the complex play of forces at work in racialized retail markets and the everyday impact of those forces on minority consumers The essays demonstrate how past practice remains in force in subtle and not so subtle ways The Best of All Possible Islands Richard Maddox,2012-02-01 The 1992 world s fair in Seville serves as a vantage point from which to examine Spain s developing democracy and Europe s emerging unification according to Richard Maddox in The Best of All Possible Islands Visited by over fourteen million people the Seville Expo drew the participation of more than one hundred countries and dozens of corporations As part of Spain s miraculous year in which Barcelona hosted the summer Olympics and Madrid was designated the Cultural Capital of Europe the Expo advanced a remarkably optimistic cosmopolitan and liberal vision of the past present and future of the new Spain and the new Europe Yet no aspect of this vision went unchallenged and the Expo was at the center of fierce political rivalries and dramatic manifestations of popular discontent In an engaging and accessible narrative Richard Maddox demonstrates how visitors and local residents understood the significance of the event in ways that largely escaped the knowledge and control of the Expo s organizers Understanding how and why this occurred casts critical light on the transformation of Spain since the end of the Franco dictatorship in 1976 and illuminates some of the key cultural and political dilemmas that processes of European and global integration pose for citizens of democratic societies **Stray Bullets: Sunshine & Roses #7** David Lapham,2015-08-19 Armed only with his dad s car a bottle of vodka a few good brain cells and a wicked idea to fight fire with fire Orson has less than two days to help Beth come up with ten grand or lose his self respect and of lesser importance his life *Steady Steady* Henry 'Seaman' Dan,Karl Neuenfeldt,2013 Born on Thursday Island in 1929 Seaman Dan didn t release his debut album Follow the Sun until his 70th birthday In the next ten years he released five albums showcasing traditional music from the Torres Strait as well as those revealing his love of jazz and blues *Steady Steady* The life and music of Seaman Dan is replete with Uncle Seaman s stories of his active and sometimes dangerous life in the islands in the heyday of pearl diving and other jobs and his later development as a professional singer musician The book includes many evocative and previously unknown images sourced from family and friends and will include a CD of tracks reflecting important periods in the life of this national treasure Listen to a sample of Seaman Dan s favourite songs *A Critical History of English Literature, Vol. 2* David Daiches,1979 *The Magical Adventures of Poppy and Her Unicorn* Pasquale De Marco,2025-04-15 In the heart of a magical realm known as Poppy s Paradise a young girl named Poppy and her faithful unicorn companion Stardust embark on an extraordinary adventure filled with wonder friendship and self discovery Together they explore enchanted forests traverse sparkling rivers and soar through starlit skies encountering extraordinary creatures and overcoming challenges that test their courage and resilience Poppy s Paradise is a place where dreams take flight and imagination knows no bounds It is a sanctuary for those seeking

**Reading the Great American Zombie** T. May Stone,2023-08-02 Challenging the human understanding of life and death the zombie figure represents a fragmentation of personhood From its earliest appearances in literature the zombie characterized a human being that was no longer an indivisible whole embodying the ontological debate over which elements of personhood are most uniquely human Through its literary evolution the zombie s missing element gradually approached a finer definition as narratives moved beyond highlighting metaphysically opaque concepts like soul or will Studying over a century of American literary history this book explores how zombies translate cultural concepts and definitions of personhood Chapters detail how literary zombies have long presented narratives of American cultural self examination "Visualizing Haiti in U.S. Culture, 1910?950 " LindsayJ. Twa,2017-07-05 From the late 1910s through the 1950s particularly the Caribbean nation of Haiti drew the attention and imaginations of many key U S artists yet curiously while significant studies have been published on Haiti s history and inter American exchanges none analyze visual representations with any depth The author calls not only on the methodologies of art history but also on the interdisciplinary eye of visual culture studies anthropology literary theory and tourism studies to examine the fine arts in relation to popular arts media social beliefs and institutional structures Twa emphasizes close visual readings of photographs illustrations paintings and theatre Extensive textual and archival research also supports her visual analysis such as scrutinizing the personal papers of this study s artists writers and intellectuals Among the literary and artistic luminaries of the twentieth century that Twa includes in her discussion are Richmond Barth Eldzier Cortor Aaron Douglas Katherine Dunham Langston Hughes Zora Neale Hurston Alexander King Jacob Lawrence James Weldon Johnson Lo Mailou Jones

Eugene O'Neill and William Edouard Scott Twa argues that their choice of Haiti as subject matter was a highly charged decision by these American artists to use their artwork to engage racial social and political issues **Visualizing Haiti in U.S. Culture, 1910-1950** Lindsay J Twa, 2014-05-28 From the 1910s until the 1950s the Caribbean nation of Haiti drew the attention of many U.S. literary and artistic luminaries yet while significant studies have been published on Haiti's history none analyze visual representations with any depth This book argues that choosing Haiti as subject matter was a highly charged decision by American artists to use their artwork to engage racial social and political issues Twa scrutinizes photographs illustrations paintings and theatre as well as textual and archival sources **Outlook**, 1928 New Outlook, 1928

**Taking Haiti** Mary A. Renda, 2004-07-21 The U.S. invasion of Haiti in July 1915 marked the start of a military occupation that lasted for nineteen years and fed an American fascination with Haiti that flourished even longer Exploring the cultural dimensions of U.S. contact with Haiti during the occupation and its aftermath Mary Renda shows that what Americans thought and wrote about Haiti during those years contributed in crucial and unexpected ways to an emerging culture of U.S. imperialism At the heart of this emerging culture Renda argues was American paternalism which saw Haitians as wards of the United States She explores the ways in which diverse Americans including activists intellectuals artists missionaries marines and politicians responded to paternalist constructs shaping new versions of American culture along the way Her analysis draws on a rich record of U.S. discourses on Haiti including the writings of policymakers the diaries letters songs and memoirs of marines stationed in Haiti and literary works by such writers as Eugene O'Neill James Weldon Johnson Langston Hughes and Zora Neale Hurston Pathbreaking and provocative Taking Haiti illuminates the complex interplay between culture and acts of violence in the making of the American empire Outlook and Independent, 1928 Beaches of O'ahu, Revised Edition John R.
