Magic Of Findhorn 1st Edition:

The Findhorn Garden Story The Findhorn Community,2012-06-01 Updated to showcase color photographs this spiritual classic presents the history and philosophy of Scotland s Findhorn Community Findhorn was founded more than 40 years ago in far northeast Scotland on windswept and barren sand dunes that happened to sprout a miraculous garden Plants flowers trees and organic vegetables of enormous sizes began to grow in a small plot around the 30 foot caravan trailer inhabited by three adults and three children living on meager unemployment benefits Guidance by God and absolute faith in the art of manifestation led the occupants to this unlikely locale to create a magnetic center that would draw people from all over the world Their discovery of how to contact and cooperate with the nature spirits and devas that made the garden possible sparked a phenomenon that continues today as Findhorn has grown into a thriving village housing hundreds of people from all over the world and an internationally recognized spiritual learning center The Encyclopedic Sourcebook of New Age Religions James R. Lewis,2004-08-30 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public s curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement s historical roots A unique feature of Dr Lewis s work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon *Antique Trader Book Collector's Price Guide* Richard Russell,2009-11-13 This new edition of *Antique Trader Book Collector's Price Guide* provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen s *Emma* and J K Rowling s *Harry Potter and the Philosophers Stone* recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings **National Union Catalog** ,1982 Includes entries for maps and atlases Library of Congress Catalogs Library of Congress,1976 **Religious Books, 1876-1982** ,1983 **Botanical and Horticultural Books** ,1991 **Subject Catalog** Library of
