Magic The Great Illusions Revealed And Explained:

Magic David H. Charney,1975 *Magic and Illusion in the Movies* George Higham,2024-11-13 From top hats to top secrets this book is a celebration of illusion technology and mechanisms of trickery through a genre crossing selection of films Heroes villains spies con men and madmen magicians all have utilized complex constructs and trickery in thrilling cinematic adventures from the earliest days of cinema to the present Current blockbusters such as Spider Man Far from Home and the Mission Impossible series feature amazing acts of deception often appearing far fetched that are in fact surprisingly close to today s technology Along with the James Bond saga classics such as The Wizard of Oz Nightmare Alley and The Sting are joined by a host of other movies superficially seeming to be very different yet proving there is more than meets the eye *All the Secrets of Magic Revealed* Herbert L. Becker,1994 Featured in USA Today and PW it exposes the secrets of the world s greatest magicians **Abracadabra** Nathaniel Schiffman,2009-09-25 Magicians use more than just mirrors string and sleight of hand to deceive their audience Those who are masters at this trade have developed an arsenal of techniques to manipulate people Every action and utterance on stage and off is precisely planned to achieve a specific effect Abracadabra is an insider s look at what goes on at a magic show behind the scenes and in the mind of the magician Nathaniel Schiffman explains the principles of deception exposing those innocent seeming motions that conceal vital actions from onlookers how the conjurer uses misdirection of space and time to mislead the audience how silly and simple optical illusions can fool us and what to look for during a magic show Also explored in detail is the world of off stage magic Some magicians use various techniques in life to deceive and influence you yet these magicians don t boast of their magic talent because they are advertisers politicians army commanders spies con artists computer programmers movie directors faith healers psychics and others These magicians work to make you buy their product believe in their cause and influence your thinking from the time you get up in the morning until you go to bed at night This is not a how to book for aspiring magicians but a layperson s guide to methods used to mislead or fool you Lighthearted and informal Abracadabra will fascinate anyone interested in knowing how one person can control many Included are hands on experiments magic tricks and reader participation segments You ll soon see that magicians don t just manipulate playing cards and animals they manipulate you
