

If I Had A Real Magic Wand...

When we are young, we all have many dreams. We wish for so many things also. I, too, wish for many things. But there is one thing I wish for with all my heart and that is a real magic wand. How happy that would make me!

There are many good things that I would do with my magic wand. Our world is becoming unsafe day by day. People are only interested in themselves and are mean to others. There are thieves and murderers. Good people live in fear all the time. Even rich people are not happy even though they have so much money. They are always scared that someone will take it away. I would use my magic wand to make this world a safer place to live in. People would not be afraid any more.

People have no time for family and friends because they only think of themselves. Some have so much and some have nothing. There are so many people who have nothing to eat and no home to live in. It would be so nice if people were kinder and shared their time and wealth with others. I do not like to see sadness on anyone's face. I would use my magic wand to create beautiful homes for the homeless. I would also make sure that no one would be without food.

I want to live in a world that is good and where people love each other. So, if I had a real magic wand, I would change all the bad things in the world. I would make it a better and happier place for all human beings.
