Magical Golf A Tale Of Transformation:

The Laws of Spirit Dan Millman, 2015-01-29 Perhaps the most important section in Dan Millman's best selling book *The Life You Were Born to Live* was titled *Laws that Change Lives*. These laws as described were key to overcoming the specific hurdles on a given individual's life path. Different laws played critical roles for different paths. But the author considers these laws so central to all our lives that they needed a book of their own and a more universal treatment since anyone could benefit from applying any of these laws. As he writes: Within the mystery of our existence the universe operates according to spiritual laws as real as the law of gravity and as constant as the turning of the heavens. Aligning our lives to these laws can transform our relationships, careers, finances, and health. Simply put, they make life work better. *The Laws of Spirit* Dan Millman's little book of big wisdom offers a teaching tale in which he encounters an ageless woman sage while on a mountain hike. There in the wilderness she takes Dan and his readers through experiences and tests in the natural world that demonstrate the power of spiritual laws of balance, choice, process, presence, compassion, faith, action, patience, surrender, and unity. As the sage relates: These laws belong to all of us. They rest within our hearts and at the heart of every religion and spiritual tradition. As you make your own journey through the pages of this book, you will find universal solutions to the varied challenges of our lives, leading to perspective and wisdom about the meaning and purpose of our lives here and our connection with all of creation. It begins with a single step. Open the first page of a book, you will refer to again and again for inspiration and guidance on life's journey up the mountain path.

A Squatter's Tale Ike Oguine, 2023-12-01 Ike Oguine's debut novel *A Squatter's Tale* is a dark and bold story about the life of a Nigerian business man living in exile in America. Obi does not shy away from his flaws: Dishonest, offensive, arrogant, he moves through life caring little about the people around him. Yet when his uncle comes to visit from America, showering him with gifts and selling him tales of a new life, Obi is determined to follow him. After buying a one-way ticket, he quickly realizes that neither his uncle nor America are quite what they promised to be. Fast-paced and defiant, *A Squatter's Tale* is an honest insight into the experiences of a Nigerian man living in 1990s America. Few people have read this hilarious novel, but one read is all you need to become a fan. *Guardian*
