to the plants and flowers that moved and whispered secrets A winged horse with eyes as clear as the sky and a coat as white as snow stood there in an opening filled with sunlight It was the most amazing sight Barbie had ever seen This is what the Magic Pegasus was The Magic Pegasus had a beautiful and wise aura around it To Barbie he told her that he was from a faraway world full of magic and flowers that filled the air with a sweet scent But that kingdom was in a lot of trouble now A bad wizard named Wenlock cast a powerful spell that turned the world from a beautiful place to a place where winter never ends The rivers had frozen over the flowers were no longer blooming and everyone had stopped laughing The Pegasus told Barbie that he could find her because the beautiful feather had magically linked her yard to his world Barbie was needed by the Magic Pegasus He thought that Wenlock could only free the kingdom from her cold control if she showed how brave and kind she was Barbie had a sudden desire to do something She knew she had to help Pegasus and the people who worked for him She told the horse with wings that she would do anything to break the curse and make the land happy and warm The Magic Pegasus takes Barbie on an adventure With the help of the light feather they flew over mountains and rivers to get to the beautiful area Barbie felt like the feather was around them to protect them and she was sure that this was the start of an amazing trip Barbie learned that the world was full of mysteries and wonders that could be solved as they went She also learned that being brave and kind can work amazing magic on their own She knew that their journey would be full of friendship bravery and the magic that comes from believing in the goodness in everyone so she was ready to face any problems that came her way with Pegasus by her side

Chapter 2 The Curse of the Wizard Over the land a shade fell In that world magic moved through the air like a soft spring breeze This shadow was thrown by the evil wizard Wenlock whose heart was as cold as the stone towers of his sad castle Wenlock was jealous of the happiness and love that the people of the kingdom were experiencing so he chose to cause trouble and fear to show that he was the best He turned Barbie's sister from a lively happy girl into a stone like figure with one flick of his bent staff The kingdom was happy until this terrible behavior ended it There was such a hush that even the birds seemed to have stopped singing Barbie was in so much pain after hearing about her sister's death that it almost killed her But a spark of hope lit inside her and the sadness went away She knew she had to stop Wenlock from being mean An old beautiful and wise owl came to see Barbie and told her a secret that not many people knew the Wand of Light was a magical artifact that could break curses heal wounds and bring light to the darkest parts of the world The Wand of Light was kept in a place that only good people could get to It was protected from bad people by forces that no one could explain Barbie knew that she had to find the Wand of Light to save her sister and make the whole world happy The road would not be easy though The owl made it clear that the wand was protected by challenges that would test Barbie's bravery kindness and intelligence At every turn of the path she would have to trust both the magic around her and the magic inside her Barbie understood how important her job was and got ready to leave as soon as it got light She turned around to face her sister and swore she would come back with the power to break the spell The first

rays of dawn lit up Barbie's path and she set out on her trip with as much determination as the sun itself. She went through forests with trees that spoke secrets and over mountains that touched the sky. Barbie had to deal with problems along the way that made her heart and spirit weak. She got stronger and surer of the world's goodness and magic as she went along, though Barbie searched for the Wand of Light by going to the highest hills and deepest valleys. She saw places where the earth's natural beauty seemed to have not changed over time. She met magical beings that could tell she was good and helped her on her quest by keeping her safe and giving her advice. Even though Wenlock's curse was over Barbie, her light never went out. Barbie learned on her journey that the most powerful thing is not magic or spells but the love and courage that someone has inside them. Finally, she stood in front of the Wand of Light. Its brightness stood out like a beacon in the dark, and she knew that love could break any spell. Barbie went back to her sister with the Wand of Light, ready to fight Wenlock's evil with all her might, because she knew that family is stronger than any wizard spell.
