Reimagining the Bible Howard Schwartz,1998-01-15 Reimagining the Bible collects a dozen essays by Howard Schwartz Together the essays present a coherent theory of the way in which each successive phase of Jewish literature has drawn upon and reimagined the previous ones The book is organized into four sections The Ancient Models The Folk Tradition Mythic Echoes Modern Jewish Literature and the Ancient Models Within these divisions each of the essays focuses on a specific genre ranging from Torah and Aggadah to Kabbalah fairy tales and the modern Yiddish stories of S Y Agnon and Isaac Bashevis Singer Arguing the important thesis that there is a continuity in Jewish literature which extends from the Biblical era to our own times over a period of more than 3 000 years this collection also serves as a guide to the history of that literature and to the genres it comprises The Escape Artist Judith Katz,2013 Sofia Teitelbaum is a young Jewish girl when her poor parents decide to marry her off to Tutsik Goldenberg a successful charming traveling Jewish businessman But there is no marriage Instead Sofia is put to work as a prostitute to cater to the lusts of Jewish immigrants fleeing pogroms and World War I Later Tutsik spots the talented juggler and acrobat Hankus and anticipates success as the boy s manager But Hankus is really a young woman When Sofia meets Hankus he is already working as a magician It is through their love that they find an escape *American Jewry and the Re-Invention of the East European Jewish Past* Markus Krah,2017-11-20 The postwar decades were not the golden era in which American Jews easily partook in the religious revival liberal consensus and suburban middle class comfort Rather it was a period marked by restlessness and insecurity born of the shock about the Holocaust and of the unprecedented opportunities in American society American Jews responded to loss and opportunity by obsessively engaging with the East European past The proliferation of religious texts on traditional spirituality translations of Yiddish literature historical essays photographs and documents of shtetl culture theatrical and musical events culminating in the Broadway musical Fiddler on the Roof illustrate the grip of this past on post 1945 American Jews This study shows how American Jews reimagined their East European past to make it usable for their American present By rewriting their East European history they created a repertoire of images stories and ideas that have shaped American Jewry to this day **The Ethics of Literary Communication** Roger D. Sell,Adam Borch,Inna Lindgren,2013-09-25 Viewing literature as one among other forms of communication Roger D Sell and his colleagues evaluate writer respondent relationships according to the same ethical criterion as applies for dialogue of any other kind In a nutshell Are writers and readers respecting each other s human autonomy If and when the answer here is Yes Sell s team describe the communication that is going on as genuine In

this latest book they offer new illustrations of what they mean by this and ask whether genuineness is compatible with communicational directness and communicational indirectness Is there a risk for instance that a very direct manner of writing could be unacceptably coercive or that a more indirect manner could be irresponsible or positively deceitful The book's overall conclusion is Not necessarily A directness which is truthful and stimulates free discussion does respect the integrity of the other person And the same is true of an indirectness which encourages readers themselves to contribute to the construction and assessment of ideas stories and experiences sometimes literary indirectness may allow greater scope for genuineness than does the directness of a non literary letter By way of illustrating these points the book opens up new lines of inquiry into a wide range of literary texts from Britain Germany France Denmark Poland Romania and the United States
