Wallis,2020-06-19 What are the origins of Jesus reputation for healings and exorcisms Few questions in Jesus studies are more hotly contested or elicit more diverse responses Adopting an interdisciplinary approach and in dialogue with recent scholarly literature The Galilean Wonderworker offers a compelling account Recognizing the reciprocal relationship between personal and communal well being within Israelite faith this study offers new insights into how sickness and healing were understood in first century Palestine This in turn supplies the backcloth for a fresh evaluation of the evidence for Jesus healings and exorcisms where the emphasis falls firmly upon the dynamics of personal encounter Jesus emerges as a spirit person capable of engendering faith and exercising authority to the extent that sufferers experienced liberation from debilitating symptoms and oppressive behaviors many of which reflected contemporary sociopolitical conditions Further by vesting theological significance in these outcomes they simultaneously constituted manifestations of God s sovereign presence signaling restoration of covenantal well being Acknowledging that Jesus expected his disciples to heal and exorcize the investigation concludes with an overview of how this legacy was embraced by the early church noting how exorcism becomes incorporated into Christian initiation while spiritual healing though continuing is eclipsed by pastoral care and conventional medical practice *Halloween, Hallowed Is Thy Name* Eddie J. Smith,2012 Halloween has been referred to as the Devil s holiday but all 365 1 4 days were

created by and belong to Jesus If Satan usurps even one day it is our Christian duty and responsibility to reclaim and redeem it in the name of our Lord Are the imaginary ghouls and goblins of Halloween any more wicked than the jolly elf called Santa Claus or the Easter bunny Should the Church stop celebrating these holy days the bookends of our faith as well Instead of battling the spiritual enemy on Halloween the Church is guilty of crossing swords with one another We fight among ourselves not about how to celebrate Halloween but whether it should even be observed Jesus is more the reason for the season on Halloween than He is at Christmas The Church must realize it is forfeiting Halloween as an opportunity to glorify the Prince of Peace the One who has given us the victory over the prince of darkness and his evil minions The Way the Truth and the Life has conquered Death and the grave By dressing up in costumes and portraying frightening creatures who at one time caused us to fear and tremble we are not glorifying Satan Rather we are poking fun at the Serpent whose kingdom has been plundered by our Savior and whose head has been crushed Should we celebrate Halloween The question is How can we not Halloween Hallowed is Thy Name offers a believer confidence and joy in expressing the greeting Happy Halloween
