The Path of Desire Hugh B. Urban,2024-03-27 In the Western popular imagination there is a singular association between Tantra and sex But behind sensationalist stories of Tantric lovemaking lies a rich spiritual and textual tradition of which sexual union is only a small and fiercely debated part In *The Path of Desire* Hugh B Urban takes us on an ethnographic journey to Assam the heartland of Tantric practice in contemporary India revealing the vibrant dynamic lived tradition of Hindu Tantra *The Path of Desire* expands our definition of k ma a central concept of Tantra generally translated as desire to focus on mundane and worldly desires such as healing and childbearing This more holistic notion of desire manifests itself in popular folk practice which Urban categorizes in four forms institutional Tantra comprised of gurus disciples and esoteric rituals public Tantra involving offerings and temple celebrations folk Tantra focusing on practices of healing protection material wellbeing and desire fulfillment and pop Tantra or how Tantra is portrayed in popular media such as paperbacks comic books and movies The result is a nuanced understanding of Tantra as a diverse lived tradition *The Sorceress and the Summoner* Joshua D. McArthur,2012-11 The worlds are changing In a world far from our own where magic and myth are one in the same a declaration of war is announced The announcement sets in motion a chain of events that tear into the very fabric of time and space An ancient legacy has returned to the magical world of Ivane which had been thought long extinct Since anyone can remember there have always been two lines of magic The first is the essence of the Sorceress It has been ten years since the last reincarnation of the Sorceress ten years since very her essence has poisoned an undeserving woman But suddenly it has returned Now to fight off the evil three heroes are called upon to help vanquish the essence for good Legend tells of the one who can manage this seemingly impossible feat The one who can achieve this is graced with the

essence's lighter equivalent the Summoner Aliz Dominio a beautiful gifted young mage from the Alinta Aces Gogora's only army joins forces with Eddy Seamer Eddy is a tough but loveable bladesman and they are joined by one of their mentors Keryn Blackhart a patriotic perfectionist who cannot be beaten with a rifle Together they embark on a quest that pans the wondrous world they have all grown up in Only the Summoner can call forth the ancient sceptre of the Gods This ancient artefact is said to hold the power to vanquish the Summoner's evil counterpart and restore peace if only for a while But something is different this time around and deep in Aliz's heart a horrible truth is beginning to emerge In old times a prophecy was made It spoke of the two ancient lines of magic and how they once belonged to the one who the people of Ivane consider God It tells of the two lines of magic reuniting in one being who will ultimately become a God among men As Aliz and her friends reach their target the heart wrenching truth is exposed The true identity of the Sorceress is revealed and the events that follow are truly catastrophic When one inherits the essence of the Sorceress their soul is twisted and corrupted beyond imagining The darkness within becomes too strong and is unleashed releasing chaos in its never ending pursuit for power It is a wicked burden to bear and when Aliz inherits this unwanted gift her soul is thrust into oblivion and she emerges as the new goddess forever thirsty for dominance Now it is up to Aliz's boyfriend Eddy and his new friend Keryn to help Aliz The only option seems bleak and Eddy drowns in despair But in a world where anything is possible can there be a way to pull somebody back from the abyss Do our heroes try and spit in the face of destiny Or can destiny be changed And if they do change destiny then what
