**Gilman** Cynthia Davis, 2010-03-02 Charlotte Perkins Gilman offers the definitive account of this controversial writer and activist's long and eventful life. Charlotte Anna Perkins Stetson Gilman 1860-1935 launched her career as a lecturer, author, and reformer with the story for which she is best known today, *The Yellow Wallpaper*. She was hailed as the brains of the US women's movement whose focus she sought to broaden from suffrage to economics. Her most influential sociological work criticized the competitive individualism of capitalists and Social Darwinists and touted altruistic service as the prerequisite to both social progress and human evolution. By 1900 Gilman had become an international celebrity but had already faced a scandal over her divorce and abandonment of her child. As the years passed, her audience shrunk and grew more hostile, and she increasingly positioned herself in opposition to the society that in an earlier, more idealistic period she had seen as the better part of the self. In her final years, she unflinchingly faced breast cancer, her second husband's sudden death, and finally her own carefully planned suicide; she preferred chloroform to cancer and cared little for a single life when its usefulness was over. Charlotte Perkins Gilman presents new insights into the life of a remarkable woman whose public solutions often belied her private anxieties. It aims to recapture the drama and complexity of Gilman's life while presenting a comprehensive scholarly portrait. American Book Publishing Record R.R. Bowker Company, 1978 Cumulated Index to the Books, 1999

**Feminist Studies**, 2001 **Modern American Women Writers** Elaine Showalter, Lea Baechler, A. Walton Litz, 1993-09-27 Featuring original contributions by scholars in the field of women's studies, this invaluable reference illuminates the lives and works of Maya Angelou, Kate Chopin, Joan Didion, Anne Tyler, Susan Sontag, Gertrude Stein, Zora Neale Hurston, Flannery O'Connor, Sylvia Plath, Anne Sexton, and others. Herland and Related Writings Charlotte Perkins Gilman, 2012-11-08 Charlotte Perkins Gilman's provocative utopian novel *Herland*, first published in 1915, tells its story through the observations of three male explorers who discover a land inhabited solely by women; the women reproduce through parthenogenesis, asexual reproduction. Initially skeptical, the explorers come to realize that *Herland* has evolved into an ideal cooperative matriarchal society: fertile, peaceful, and clean, by selectively reproducing the women's best attributes. As the explorers study *Herland* culture, they also rethink their own. This edition reproduces the text originally published in *The Forerunner* in 1915, including several passages omitted from other editions. Stories, poetry, and nonfiction writing by Gilman on topics such as birth control, capital punishment, and eugenics provide a rich context for the novel. Materials originally published alongside *Herland* in 1915, many of which have never before been republished, are also included, as is an excerpt from the sequel *With Her in Our Land*. Charlotte Perkins Gilman Carol Farley Kessler, 1995-03-01 The focus of Carol Farley Kessler's work is how Charlotte Perkins Gilman developed as a writer and how she imagined a full-blown utopia for women. This book, which offers a fresh reading of Gilman's fiction, fills a void in Gilman scholarship, in feminist utopian scholarship, and in American literary studies. Kessler provides three journeys through Gilman's life: *A Biographical Exploration* discusses facets of her life having a substantial impact upon her utopian writing; *Four Themes Influence This Development* the legacy of

ancestral expectations her relationships to father mother and daughter the experience of two marriages and a divorce and her friendships with women Gilman and her *Prancing Young Utopia* presents three stages in the development of Gilman's utopian writing First she imagined neighborhoods writing alternately fiction and nonfiction Second she tested in fiction the expression of utopian principles explained in her nonfiction Finally she created the whole society in her 1915 satire *Herland* All of the foregoing writing represents Gilman's effort to imagine in fiction solutions that she recommended in her 1898 feminist treatise *Women and Economics* *Writing to Empower Living* connects Gilman's biography to her utopian writing as both personal expression and public activism The writing can be understood as equipment for living Ten hard to locate utopian short stories and chapters from four novels conclude the volume
