House & Garden ,1923 The Arts of Leading Edward Brooks,Michael Lamb,2024-12-02 A deeply insightful approach to cultivating leaders of character centered on the arts and humanities What does it mean to lead Whom do we consider to be leaders And how might viewing leadership through the many lenses of the humanities expand our understanding of how it is imagined represented and enacted Drawing on insights from eminent scholars in the classics philosophy religion literature history art music and theater The Arts of Leading reveals the power of the arts and humanities to unsettle common assumptions about leadership Rather than instrumentalizing the arts and humanities or reducing them to mere management resources this series of thoughtful and refreshing essays engages a litany of diverse and nuanced perspectives to uncover alternative ways of imagining and embodying leadership across different historical moral political and cultural contexts By exploring how a wide range of disciplines can illuminate and humanize complex aspects of leadership that are often obscured in a discourse hooked on reductive paradigms and quick fixes The Arts of Leading invites leaders scholars and citizens to expand their practice of leadership in our ever evolving world Insiders' Guide® to Charleston Lee Davis Perry,2018-12-01 Insiders Guide to Charleston is the essential source for in depth travel and relocation information to this charming southern city Written by locals and true insiders it offers a personal and practical perspective of Charleston and its surrounding environs With over two million books sold Insiders Guides are the essential source for in depth travel and relocation information making them an indispensable guide for travelers and residents alike **Charleston: 1900-1915** Raymond K.
