Queer Politics and Sexual Modernity in Taiwan Hans Tao-Ming Huang, 2011-08-01 This book analyses the critical reception of Pai Hsien-yung's *Crystal Boys* one of Taiwan's first recognized gay novels and one which has played an important role in redefining sexual modernity and linking this to ongoing cultural dialogues on state building It examines the deployment of sexuality over the past five decades in Taiwan by paying particular attention to male homosexuality and prostitution In addition to literary and film material the study engages a number of relevant legal cases and media reports Through Hans Huang's primary research and historical investigations the book not only illuminates the construction of gendered sexual identities in Taiwanese culture but also in a reflexive fashion critiques the culture that produces them Hans Tao-Ming Huang is assistant professor in the English Department National Central University Taiwan

Identity Politics and Popular Culture in Taiwan Hsin-I Sydney Yueh, 2016-12-07 In the past two decades a uniform representation of cutified femininity prevails in the Taiwanese media evidenced by the shift of Taiwan's popular cultural taste from a Chinese centered tradition to a mixed absorption from neighboring cultural capitals in the global market This book argues that the native term *sajiao* is the key to understand the phenomenon Originally referring to a set of persuasive tactics through imitating a spoiled child's gestures and ways of speaking to get attention or material goods *sajiao* is commonly understood to be women's weapon to manipulate men in the Mandarin speaking communities By re-interpreting *sajiao* as a feminine tactic or the tactic of the weak the book aims to propose a feminine framework in exploring identity politics in the following three aspects the rising obsession with the immature female image in Taiwan's popular culture the adoption of the feminine communication style in native speakers everyday language and interactions and the competing discourses between dominant subordinate central peripheral global local and Chinese Taiwanese in shaping the identity politics in current Taiwanese society The micro analysis of everyday language politics leads the reader to examine layers of discourse about gender identity and communication and finally to inquire how to situate or categorize Taiwan in area studies The feminine framework is a useful theoretical tool that not only deconstructs everyday communication practice but also provides a bottom up alternative angle in analyzing Taiwan's role in political economic and cultural flows in East Asia The massive imports of popular cultural products in the late 80s mainly from Japan fermented the *kawaii* Japanese cute type of femininity in regulating everyday communication and the perception of gender roles in Taiwan The popularity of the baby like female

image is concurrent with the simmering debate on Taiwanese identity Taiwan offers a unique perspective for observing identity politics because it still holds an undetermined status in the international community The collective uncertainty about the island's future and the diminishing voice in the international society become the backdrop for the growth of defining interpreting and appropriating *sajiao* elements in the popular culture This book offers an in depth examination of the interplay among local historical contexts cross border capitalist exchange and everyday communication that shapes the dialogism of Taiwanese identity
