theories In each instance social reality was cast into doubt We owe the project of organizing and unifying this reality for a particular population and territory to the nation state as it took shape at the end of the nineteenth century Thus the figure of conspiracy became the focal point for suspicions concerning the exercise of power Where does power really lie and who actually holds it The national authorities that are presumed to be responsible for it or other agencies acting in the shadows bankers anarchists secret societies the ruling class Questions of this kind provided the scaffolding for political ontologies that banked on a doubly distributed reality an official but superficial reality and its opposite a deeper hidden threatening reality that was unofficial but much more real Crime fiction and spy fiction paranoia and sociology more or less concomitant inventions had in common a new way of problematizing reality and of working through the contradictions inherent in it The adventures of the conflict between these two realities superficial versus real provide the framework for this highly original book Through an exploration of the work of the great masters of detective stories and spy novels G K Chesterton Arthur Conan Doyle John Le Carr and Graham Greene among others Boltanski shows that these works of fiction and imagination tell us something fundamental about the nature of modern societies and the modern state The Cambridge Companion to World Crime Fiction Jesper Guldal, Stewart King, Alistair Rolls, 2022-04-21 Accessible yet comprehensive this first systematic account of crime fiction across the globe offers a deep and thoroughly nuanced understanding of the genre's transnational history Offering a lucid account of the major theoretical issues and comparative perspectives that constitute world crime fiction this book introduces readers to the international crime fiction publishing industry the translation and circulation of crime fiction international crime fiction collections the role of women in world crime fiction and regional forms of crime fiction It also illuminates the past and present of crime fiction in various supranational regions across the world including East and South Asia the Arab World Sub Saharan Africa Europe and Scandinavia as well as three spheres defined by a shared language namely the Francophone Lusophone and Hispanic worlds Thoroughly researched and broad in scope this book is as valuable for general readers as for undergraduate and postgraduate students of popular fiction and world literature

**Maigret and the Reluctant Witnesses** Georges Simenon, 2018-03-01 His artistry is supreme John Banville It was as if suddenly long ago life had stopped here not the life of the man lying on the bed but the life of the house the life of its world and even the factory chimney that could be seen through the curtains looked obsolete and absurd A once wealthy family closes ranks when one of their own is shot leaving Maigret along with a troublesome new magistrate to pick his way through their secrets One of the greatest writers of our time Sunday Times **Maigret Enjoys Himself** Georges Simenon, 2017-12-07 His artistry is supreme John Banville Standing here at the window in the middle of the morning vaguely observing the comings and goings in the street he had a feeling that reminded of certain days in his childhood when his mother was still alive and he was off school because he had the flu or it was the end of term It was the feeling of finding out what went on when he wasn't there Inspector Maigret is meant to be taking a holiday but he can't resist following the

development of his colleague Janvier's case in the papers and playing a few tricks on the way This novel has been published in a previous translation as *Maigret's Little Joke* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian *Maigret and the Old People* Georges Simenon, 2018-06-07 His artistry is supreme John Banville He had seldom been so perplexed by human beings Would a psychiatrist a teacher or a novelist have been better placed to understand characters who had suddenly materialized from another century Maigret is called to the home of Armand de Saint Hilaire a highly respected official who has been found shot dead in his study by his housekeeper After interviewing everyone concerned Maigret is at a loss to the identity of the perpetrator until he comes across a series of letters from the past fifty years between the victim and a recently widowed woman As Maigret uncovers the details behind the two's relationship he gets closer to discovering the tragic truth behind the official's demise This novel has been published in a previous translation as *Maigret in Society* One of the greatest writers of the twentieth century Simenon was unequalled at making us look inside though the ability was masked by his brilliance at absorbing us obsessively in his stories Guardian Becoming Inspector Chen Qiu Xiaolong, 2021-02-01 Inspector Chen is excluded from a poetry case as he awaits possible disciplinary action leaving him to reflect on his career but does his past hold a clue to the poetry case After a number of grueling cases Chief Inspector Chen is facing mounting pressure from his superiors many of whom are concerned with where his loyalties lie What's more he is excluded from an investigation into an incendiary poem posted on an online forum Wracked with self doubt and facing an anxious wait to discover the fate of his career Chen is left to reflect on the events that have led to where he is now from his amateur investigations as a child during the Cultural Revolution to his very first case on the Shanghai Police Force Has fighting for the Chinese people and the morals he believes in put him in conflict with the Party Why is he being kept away from the new case As well as his career is his life now also at risk The Night at the Crossroads (Inspector Maigret) Georges Simenon, 2025-05-06 Another riveting tale from Georges Simenon in which two siblings living in isolation are suspects in a tale of deception theft and murder It's been seventeen hours of interrogation yet Carl Andersen's air of elegance remains unruffled Inspector Maigret is bewildered by the behavior exhibited by the only probable suspect of the case at Three Widows Crossroads the location of Carl's isolated mansion where he lives with his sister Else The Saturday evening prior Carl and Else go to sleep after Carl has locked her away in her bedroom as usual a curious habit notes Maigret but stranger things soon arise Carl's faraway neighbor Monsieur Michonnet discovers that his flashy new automobile has swapped places with Carl's run down vehicle what's more in the front seat of Michonnet's car sits a dead man a Belgian diamond merchant no one purports to know shot point blank in the chest Hours later Carl and Else are caught trying to embark on a train to Paris It's bizarre business but Maigret is determined to shake off the unease and find out what the residents of Three Widows Crossroads are covering up in *The Night at the Crossroads* an exciting unnerving story from the

inimitable Georges Simenon
