Amateur Movie Making Martha J. McNamara, Karan Sheldon, 2017-06-20 A compelling regional and historical study that transforms our understanding of film history Amateur Movie Making demonstrates how amateur films and home movies stand as testaments to the creative lives of ordinary people enriching our experience of art and the everyday Here we encounter the lyrical and visually expressive qualities of films produced in New England between 1915 and 1960 and held in the collections of Northeast Historic Film a moving image repository and study

center that was established to collect preserve and interpret the audiovisual record of northern New England Contributors from diverse backgrounds examine the visual aesthetics of these films while placing them in their social political and historical contexts Each discussion is enhanced by technical notes and the analyses are also juxtaposed with personal reflections by artists who have close connections to particular amateur filmmakers These reflections reanimate the original private contexts of the home movies before they were recast as objects of study and artifacts of public history

Birth, Death, and a Tractor Kelly Payson-Roopchand,2015-06-15 Once there were no stone walls For the fiercely idealistic Yankee homesteader a small family farm was worth fighting for and the rocky soil yielded far more than walls Cleared and plowed it fed a family and provided a living Oxen gave way to horses horses to tractors and still the farm persisted and the family persevered each generation overcoming the challenges of their day Two hundred years later the farm ever generous in its rewards has not changed but society has shifted forgetting its connection to the land that nourishes us It is time we remembered Birth Death and a Tractor is the story of a small family farm in Somerville Maine from its settling in the early 1800s to its perilous transfer to a new farm family in 2008 Chronicling the history of seven generations it is a reminder of the role small farms have played in our national and family histories and a challenge to find innovative ways to re connect our communities to this rich but threatened resource

An Exemplary Whig David M. Gold,2012-07-06 Historians have paid surprisingly little attention to state level political leaders and judges Edward Kent 1802-77 was both He served three terms as a state legislator two as mayor of Bangor two as governor and two as a judge of the state supreme court He represented Maine in the negotiations that resolved the long running northeastern border dispute between the United States and Great Britain and served for four years as the American consul in Rio de Janeiro The foremost Whig in Maine state politics and later a Republican judge Kent articulated classic Whig political views and carried them forward into his Whig Republican jurisprudence In examining Kent s career as Maine s quintessential Whig *An Exemplary Whig* reveals his characteristically conservative Whig outlook including an aversion toward disorder and a deep respect for law for existing institutions and for the wisdom of experience Kent brought his conservative disposition into the Republican Party He had no use for radical abolitionism preferring moderation and compromise to measures that endangered social order or the integrity of the Union Kent saw the slave power not abolitionism as the disrupter of the Union and he urged the fusion of all antislavery elements into a new Republican party In 1859 Maine s Republican governor appointed Kent to the state supreme court During his fourteen year tenure Kent adopted a Whiggish jurisprudence pragmatic and commonsensical and displayed

a reverence for the common law and a distrust of theoretic speculation After his retirement he chaired a constitutional revision commission admonishing his fellow commissioners to bear in mind the practical wisdom that kept dangerous innovation in check As a politician during the Jacksonian era Kent exemplified Whig leadership at the local and state levels In his jurisprudence he carried the Whig persuasion into the Republican ascendancy and the beginnings of the Gilded Age

Maine to Greenland Wilfred E. Richard, William Fitzhugh, 2014-08-05 *Maine to Greenland* is a testament to one of the world's great geographic regions the Maritime Far Northeast For more than three decades William W Fitzhugh and Wilfred E Richard have explored the Northeast's Atlantic corridor and its fascinating history habitat and culture The authors powerful personal essays and Richard's stunning photography transport readers to this vibrant region joining Smithsonian archaeological expeditions and trekking in vast and amazing terrain Following Fitzhugh and Richard's travels north from Maine to the Canadian Maritimes Newfoundland and northern Quebec then to Labrador Baffin and Ellesmere islands and Greenland we view incredible landscapes uncover human history and meet luminous personalities along the way Fully illustrated with 350 full color photographs *Maine to Greenland* is the first in depth treatment of the Northeast Atlantic corridor and essential for armchair travelers locals tourists or anyone who has journeyed there Today green technology climate change and the opening of the Arctic Ocean have transformed the Maritime Far Northeast from an icy frontier into a global resource zone and an increasingly integrated international crossroads In our rapidly converging world we have much to learn from the Maritime Far Northeast and how its variety of cultures have adapted to rather than changed their environments during the past ten thousand years *Maine to Greenland* is not only a complete account of the region's unique culture and environment but also a timely reminder that amidst the very real consequences of climate change the inhabitants of the Maritime Far Northeast can show us grounded and sustainable ways of living

Making Haste from Babylon Nick Bunker, 2010-04-13 At the end of 1618 a blazing green star soared across the night sky over the northern hemisphere From the Philippines to the Arctic the comet became a sensation and a symbol a warning of doom or a promise of salvation Two years later as the Pilgrims prepared to sail across the Atlantic on board the Mayflower the atmosphere remained charged with fear and expectation Men and women readied themselves for war pestilence or divine retribution Against this background and amid deep economic depression the Pilgrims conceived their enterprise of exile

Within a decade despite crisis and catastrophe they built a thriving settlement at New Plymouth based on beaver fur corn and cattle In doing so they laid the foundations for Massachusetts New England and a new nation Using a wealth of new evidence from landscape archaeology and hundreds of overlooked or neglected documents Nick Bunker gives a vivid and strikingly original account of the Mayflower project and the first decade of the Plymouth Colony From mercantile London and the rural England of Queen Elizabeth I and King James I to the mountains and rivers of Maine he weaves a rich narrative that combines religion politics money science and the sea The Pilgrims were entrepreneurs as well as evangelicals political radicals as well as Christian idealists Making Haste from Babylon tells their story in unrivaled depth from their roots in religious conflict and village strife at home to their final creation of a permanent foothold in America
