Unification Thought: Head-Wing Thought Sang Hun Lee, 2014-04-25 Unification Thought is the philosophy derived from the Divine Principle of the Reverend Sun Myung Moon. It is a powerful key that is capable of solving any problem no matter how difficult it might be. This Thought presents a new view of life of the world of the universe and God's work in history. It is a principle of integration that can bring different religious doctrines and philosophies into unity while preserving their diverse characteristics. *Research Papers: Special behavioral studies, foundations, and corporations*, 1977

The Maintenance of Peace, Or, The Foundations of Domestic and International Peace as Deduced from a Study of the History of Nations Samuel Curtis Vestal, 1920

The Politics of Foundations Helmut Anheier, Siobhan Daly, 2006-11-24 This book explores the roles and visions foundations have of and for themselves in the new Europe. The leading contributors go beyond a quantitative profile of foundations in Europe and probe deeper into their role and contributions in meeting the economic, cultural, environmental, and educational needs of European societies. Includes a mapping and appraisal of foundation visions, policies, and strategies and an overall assessment of the current and future policy environment in which they operate. *The Politics of Foundations* combines the detailed comparative analysis of current challenges facing foundations with individual country studies on Austria, Belgium, Czech Republic, Denmark, Estonia, France, Germany, Greece, Hungary, Ireland, Italy, the Netherlands, Norway, Poland, Spain, Sweden, Switzerland, and the United Kingdom, and also includes a comparative view from the United States. This valuable reference will be of interest to researchers and students of foundations, policy making, comparative politics, and international business, as well as policy makers and professionals.
