## **Maison De Rendez Vous And Djinn:**

**Djinn** Alain Robbe-Grillet, 1987 *Djinn* is the story of a young man who follows an alluring androgynous girl into a clandestine world where he is assailed by bizarre strangers disorienting images dislocations of time and finally doubts about his own identity With Hong Kong as the setting of *La Maison de Rendez Vous* the master of the new novel creates a world of crime intrigue and passion dominated by Lady Ava's mysterious Blue Villa Back cover Narrative Causalities Emma Kafalenos, 2006 *Narrative Causalities* offers both an argument and a methodology The argument is that interpretations of the consequences and causes of events are contextual and that narratives by determining the context in which events are perceived shape interpretations The methodology on which the argument is based is a theory of functions A function in this theory is a position in a causal sequence A set of functions provides a vocabulary to analyze and compare interpretations of the causes and consequences of events in our world in narratives about our world and in fictional narratives *Infinity (stage)* Spencer Golub, 2001 A moving and genre defying text written after a great loss that blurs the boundaries between writing and performance Understanding Alain Robbe-Grillet Roch C. Smith, 2000 Transforming bewilderment into understanding and pleasure while preserving a sense of Robbe Grillet's considerable richness and complexity Smith elucidates the defining elements of the writer's fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story Smith examines Robbe Grillet's embrace of discontinuity circularity indeterminacy and linguistic play Smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative's claim to represent reality In addition Smith evaluates the sado erotic imagery of Robbe Grillet's middle and late novels as a metaphorical play with textual and social conventions **BOOK JACKET** **Postmodernist Fiction** Brian McHale, 2003-09-02 In this trenchant and lively study Brian McHale undertakes to construct a version of postmodernist fiction which encompasses forms as wide ranging as North American metafiction Latin American magic realism the French New New Novel concrete prose and science fiction Considering a variety of theoretical approaches including those of Ingarden Eco Dolezel Pavel and Hrushovski McHale shows that the common denominator is postmodernist fiction's ability to thrust its own ontological status into the foreground and to raise questions about the world or worlds in which we live Exploiting various theoretical approaches to literary ontology those of Ingarden Eco Dolezel Pavel Hrushovski and others and ranging widely over contemporary world literature McHale assembles a comprehensive repertoire of postmodernist fiction's strategies of world making and unmaking Two Novels Alain Robbe-Grillet, 1965 *Jealousy* In a tropical jungle overlooking a banana plantation a jealous husband is obsessed by his suspicion of adultery between his wife and his neighbor Robbe Grillet's handling of the devastating effect on the tormented husband and his subsequent violence gives us one of the most disturbing treatment of jealousy in contemporary fiction Publisher description The Erasers Alain

Robbe-Grillet, 2015-06-23 The first book from the French avant gardist and author of *Jealousy* Robbe Grillet is the forerunner of a revolution in the novel Claude Mauriac cultural critic for *Le Figaro* Alain Robbe Grillet is internationally hailed as the chief spokesman for the nouveau roman and one of the great novelists of the twentieth century *The Erasers* his first novel reads like a detective story but is primarily concerned with weaving and then probing a complete mixture of fact and fantasy The narrative spans the twenty four hour period following a series of eight murders in eight days presumably the work of a terrorist group After the ninth murder the investigation is turned over to a police agent who may in fact be the assassin Both an engrossing mystery and a sinister deconstruction of reality *The Erasers* intrigues and unnerves with equal force as it pulls us along to its ominous conclusion On the surface and surface is the key word with this author *The Erasers* is a mystery story where a police agent named Wallas stalks an unknown assassin through a nameless puzzleboard Flemish town Nothing is certain The only thing the reader can be sure of is the laser precise detail in which all that isn't clear is described catalogued and analyzed *The Millions* A haunting mystifying evocation of a murder that will keep your attention riveted *The Dallas Morning News* Praise for Alain Robbe Grillet I can think of no other writer who can render the banal so fearfully fantastic Books and Bookmen I doubt that fiction as art can any longer be seriously discussed without Robbe Grillet *The New York Times*

Inventing the Real World Marjorie Hellerstein,1998 Alain Robbe Grillet uses techniques from film to make his novels and adapts novel techniques to construct and then shatter his film narratives Both forms of art are indebted to painters and printmakers visual perceptions of their material and their use of space and spatial relationships to construct artistic illusions

**New York Nouveau** Sara Kippur,2025-08-12 Postwar French writers were at the vanguard of global literary innovation from the experimental minimalism of the Nouveau Roman to the literary games of the OuLiPo but less often appreciated is the extent to which they worked closely with US editors and translators published actively with American presses and often theorized transatlantic connections within their work In this exciting new work Sara Kippur proposes a new French literary history that traces the deep connections between postwar literary experimentalism and the New York publishing industry compellingly arguing that US based editors publishers producers professors and translators crucially intervened to shape French literature While Kippur attends closely to well known writers such as Marguerite Duras Samuel Beckett Eugène Ionesco Georges Perec and Alain Robbe Grillet she also amplifies the voices of those who have been less visible though no less relevant including women whose contributions have not received proper credit but who helped to foster a sense of new possibilities for twentieth century French writing With these untold histories stitched together in this book through new archival discoveries from special collections and personal archives on both sides of the Atlantic Kippur begins to dismantle rigid notions of canonicity authorship and national literature

Of Words and the World David R. Ellison, 1993-03-22 Here David Ellison explores the problems encountered by France s best experimental authors writing between 1956 and 1984 when faced with the question What should my writing be about These years are characterized by the rise of the new novelists who questioned the representational function of writing as they created works of imagination that turned in upon themselves and away from exterior reality It became fashionable at one point to affirm that literature was no longer about the world but uniquely about the words on a page the signifying surface of the text Ellison tests this assumption showing that even in the most seemingly self referential fictions the words point to the world from which they can never completely separate themselves Through close readings Ellison examines the novels and theoretical writings of authors whose works are fundamental to our perception of contemporary French writing and thought Camus Robbe Grillet Simon Duras Sarraute Blanchot and Beckett The result is a new understanding of the link between the referential function of literary language and the problematic of the ethics of fiction

Degré second , 1986 Studies in French literature from the Renaissance to the present

The New Novel in France Arthur E. Babcock, 1997 Babcock separates the myth from the history of a movement that began in the 1950s and persisted through the 1970s providing a fair and dispassionate account of its chief representatives While Babcock does look at these writers as participants in a movement he does not force a false unity on the group Through an examination of their exemplary novels Babcock gives a balanced view of their common concerns as well as their differences As the nouveau roman reaches its fiftieth year The New Novel in France offers the first major historical study of a literary form that continues to capture scholarly interest and to excite intense debate
