Middle East Dilemma The Politics And Economics Of Arab Integration:

Middle East Dilemma Michael C. Hudson, 1999 From the unification of North and South Yemen to the struggle for Mahgreb unity and the experiences of the six member Gulf Cooperation Council this book presents a complex portrait of the history and prospects for Arab integration

A Political Economy of the Middle East Melani Cammett, 2018-03-22 A Political Economy of the Middle East is the most comprehensive analysis of developments in the political economy of the region over the past several decades examining the interaction of economic development processes state systems and policies and social actors in the Middle East The fourth edition with new authors Melani Cammett and Ishac Diwan has been thoroughly revised with two new introductory chapters that provide an updated framework with which to understand and study the many changes in demography education labor markets urbanization water and agriculture and international labor migration in the recent years The new edition also includes a new chapter that charts the political economy of the Gulf states and in particular the phenomenal growth of oil economies a new chapter on the rise of crony capitalism and increased coverage of the changes in civil society and social movements in the region including an exploration of the causes dynamics consequences and aftermath of the Arab uprisings

The Middle East Economies in Times of Transition Ahmed Galal, Ishac Diwan, 2016-04-08 Diwan and Galal looks at the structure and prospects of the Middle East economies after the 2011 Uprisings focusing on issues of economic growth inequality the impact of oil and the unfolding political transitions On the growth question the book looks into the extent of structural transformation of the economy the political economy reasons for the lack of structural change and the external conditions in the EU and in the GCC that underpin the lack of structural change On inequality the book offers new measures of equality of opportunity in human development and in the job market and it also reviews the complex political economy of subsidy removal Regarding natural resources the volume provides three innovations connecting the notion of oil curse to the global phenomena of asset bubbles evidence that resource curse effects do not rise monotonically with the size of the resource rent but rather according to an inverted U shape and an extension of the concept of rent to the other non oil rents that are also predominant in the region Finally the volume places the political transition in the region in a global perspective using various methods theoretical comparative and empirical and it explores the relationship between democracy in its variety of forms and economic development

The Arab Spring in the Global Political Economy L. Talani, 2014-07-29 Although it is still early for an established academic account of the motivations behind the dramatic events in the Arab world in 2010 11 Leila Simona Talani believes that it is about time to try and place this issue into the broader picture of the latest changes in the global political economy

The GCC and the International Relations of the Gulf Matteo Legrenzi, 2015-07-31 The Gulf Cooperation Council GCC made up of Saudi Arabia Bahrain Kuwait Oman Qatar and the United Arab Emirates UAE is one of the most resilient sub regional organizations in the world and the most successful in the Arab world it has been the forum through which much security cooperation in this volatile sub

region has taken place as well as the main representative for the UAE's territorial dispute with Iran over the Abu Musa and Tunbs islands the organization aims to enhance defence cooperation between its member states it also has significant potential to foster economic integration and to present an alternative form of leverage over the international oil markets Very little is known however about how the organization really works how decisions are actually taken as opposed to how this process is formally articulated in its charter and what the GCC's real impact on member states the Gulf and international relations is Drawing on cutting edge theoretical perspectives as well as unique firsthand access to GCC decision makers Matteo Legrenzi explains the mechanisms of Gulf cooperation and its limitations in the context of economic globalization diplomatic regionalization and the rise of Iran Combining historical context primary source investigations and theoretical analysis this is a comprehensive guide to the GCC and an indispensable resource for anyone concerned with the Gulf and the Middle East

Arab Regionalism Silvia Ferabolli, 2014-09-25 Arab regionalism details and examines the power relations involved in the making of an Arab region On an empirical level this book concentrates on the drawing of topographic and ideational boundaries in the Arab region on Arab regional organizations on the functional cooperation among Arab states and institutions and on the socio cultural infrastructure that supports the Arab region making process with a strong focus on post 1990 dynamics On a theoretical level this work makes a case for the analytical autonomy of Arab regionalism as opposed to regionalism in the Middle East or in the Mediterranean and for the necessity of approaching it as an actual process instead of a failed project The attitude of debasement and erasure towards Arab regionalism that is common place in the field of regional studies is replaced in this book for the acknowledgment that there is much more political coordination economic cooperation and social integration in the Arab region than has previously been assumed Providing a fresh perspective on Arab regionalism this book will be an essential resource for scholars and researchers with an interest in Regionalism Middle Eastern Politics and International Relations

Palestine and the Palestinians in the 21st Century Rochelle Davis, Mimi Kirk, 2013-10-07 Specialists on Palestinian politics history economics and society examine the continuities that bind the twentieth and twenty first centuries Recent developments in Palestinian political economic and social life have resulted in greater insecurity and diminishing confidence in Israel's willingness to abide by political agreements or the Palestinian leadership's ability to forge consensus This volume examines the legacies of the past century conditions of life in the present and the possibilities and constraints on prospects for peace and self determination in the future These historically grounded essays by leading scholars engage the issues that continue to shape Palestinian society such as economic development access to resources religious transformation and political movements The multidisciplinary essays in this volume portray a nation contemplating the possibility of stalemate hemmed in and searching for outlets to express its self determination Davis and Kirk divide the book thematically into three sections focusing broadly on colonialism and its effects politics and law in the Palestinian territories and the future of the Palestinian state and its place in the international system

Publishers Weekly *Higher Education: Handbook of Theory and Research* J.C. Smart, 2006-03-30 Published annually since 1985 the Handbook series provides an authoritative compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Shifting Geo-Economic Power of the Gulf Bessma Momani, 2016-04-01 Bringing together for the first time distinguished Gulf experts to analyse the renewed geo economic prominence of the Gulf states this volume investigates some of the new power brokers in the world economy the oil exporting states of the Gulf The Gulf Cooperation Council's GCC members Bahrain Kuwait Oman Qatar the United Arab Emirates and Saudi Arabia collectively have the largest proven oil reserves in the world and are among the world's largest oil exporting states Gulf Arab states are actively pursuing a variety of foreign investment strategies Some of these investments are being managed by sovereign wealth funds government investment corporations and government controlled companies This renewed geo economic status has received a lot of media attention but there has been a dearth of academic study on what this shift in global economic power means for the international economic system This volume aims to fill this gap with a rigorous scholarly analysis based on primary sources and raw economic data It brings together the expertise of academics who have devoted their career to careful study of the region and of renowned scholars of international political economy

The Oxford Handbook of Comparative Regionalism Tanja A. Börzel, Thomas Risse, 2016-02-04 The Oxford Handbook of Comparative Regionalism the first of its kind offers a systematic and wide ranging survey of the scholarship on regionalism regionalization and regional governance Unpacking the major debates leading authors of the field synthesize the state of the art provide a guide to the comparative study of regionalism and identify future avenues of research Twenty seven chapters review the theoretical and empirical scholarship with regard to the emergence of regionalism the institutional design of regional organizations and issue specific governance as well as the effects of regionalism and its relationship with processes of regionalization The authors explore theories of cooperation integration and diffusion explaining the rise and the different forms of regionalism The handbook also discusses the state of the art on the world regions North America Latin America Europe Eurasia Asia North Africa and the Middle East and Sub Saharan Africa Various chapters survey the literature on regional governance in major issue areas such as security and peace trade and finance environment migration social and gender policies as well as democracy and human rights Finally the handbook engages in cross regional comparisons with regard to institutional design dispute settlement identities and communities legitimacy and democracy as well as inter and transregionalism

Living with Colonialism Heather J. Sharkey, 2003-03-18 Sharkey examines the history of the Anglo Egyptian Sudan 1898 1956 and the Republic of Sudan that followed in order to understand how colonialism worked on the ground affected local cultures influenced the rise of nationalism and shaped the postcolonial nation state *Regional Security in the Middle East* Pinar Bilgin, 2004-09-09 This is an accessible yet critical analysis of regional security in the Middle East Using a non realist approach Bilgin provides a comprehensive study of the past present and future of security in

the region She also considers the question of identity formation explaining how and why various regional representations came into being and explor

From Resilience to Revolution Sean L. Yom, 2015-12-01 Based on comparative historical analyses of Iran Jordan and Kuwait Sean L Yom examines the foreign interventions coalitional choices and state outcomes that made the political regimes of the modern Middle East A key text for foreign policy scholars From Resilience to Revolution shows how outside interference can corrupt the most basic choices of governance who to reward who to punish who to compensate and who to manipulate As colonial rule dissolved in the 1930s and 1950s Middle Eastern autocrats constructed new political states to solidify their reigns with varying results Why did equally ambitious authoritarians meet such unequal fates Yom ties the durability of Middle Eastern regimes to their geopolitical origins At the dawn of the postcolonial era many autocratic states had little support from their people and struggled to overcome widespread opposition When foreign powers intervened to bolster these regimes they unwittingly sabotaged the prospects for long term stability by discouraging leaders from reaching out to their people and bargaining for mass support early coalitional decisions that created repressive institutions and planted the seeds for future unrest Only when they were secluded from larger geopolitical machinations did Middle Eastern regimes come to grips with their weaknesses and build broader coalitions

Yemen Steven C. Caton, 2013-04-09 Yemen is a country that is critical to U S security and our political interests yet most Americans know virtually nothing about it This book unlocks its secrets and explains its complexities in simple yet compelling language A nation with a rich civilization that has spanned 3 000 years Yemen is the only democratic republic in the Arabian Peninsula While events in modern day Yemen are often in international news most Americans know nothing about this country nor are there easy to read up to date resources for lay audiences This book fills the gap in the literature It describes Yemen s geography economy politics and government history culture society and contemporary events presenting a comprehensive but accessible overview of the country from many different angles coverage that is long overdue Editor Steven C Caton has taken care to create a resource that is readily comprehensible to non specialists such as high school and college students and general readers as well as highly informative for those with previous knowledge about Yemen His thorough treatment provides synthetic overviews of key topics discusses and dismisses certain misconceptions about Yemen offers surprising perspectives on the relatively unknown country and underscores Yemen s importance to the region and the wider world both in ancient times and today

Historical Dictionary of Yemen Robert D. Burrowes, 2010 A small and extremely poor Islamic country Yemen is located on the edge of the Arab world in the southernmost corner of the Arabian Peninsula It was the product of the unification of the Yemen Arab Republic and the People s Democratic Republic of Yemen in May 1990 The location of the two Yemens on the world s busiest sea lane at the southern end of the Red Sea where Asia almost meets Africa gave them strategic significance from the start of the age of imperialism through the Cold War More vital today is the fact that Yemen shares a long border with oil rich Saudi Arabia and is a key to efforts both to spread and to end global

revolutionary Islam and its use of terror The second edition of the Historical Dictionary of Yemen has been thoroughly updated and greatly expanded Through its list of acronyms and abbreviations a chronology an introductory essay a bibliography and over 800 cross referenced dictionary entries greater attention has been given to foreign affairs economic institutions and policies social issues religion and politics

Tribalism and Political Power in the Gulf Courtney

Freer, Alanoud al-Sharekh, 2021-09-23 Gulf societies are often described as being intensely tribal However in discussions of state building and national identity the role of tribalism and tribal identity is often overlooked This book analyses the political role of tribes in Kuwait Qatar and the UAE aiming to understand the degree to which tribes hinder or advance popular participation in government and to what extent they exert domestic political power The research traces the historical relationship between ruling elites and nomadic tribes and by constructing political histories of these states and analysing the role of tribes in domestic political life and social hierarchies reveals how they serve as major political actors in the Gulf A key focus of the book is understanding the extent to which societies in the Gulf have become re bedouinised in the modern era and how this has shaped these states political processes and institutions The book explores the roles that tribes play in the development of progressive citizenship regimes and policymaking today and how they are likely to be influential in the future within rentier environments

Industrialization in the Gulf Jean-Francois Seznec, Mimi Kirk, 2010-09-13

In recent years we have witnessed huge economic and socio political change in the Gulf This book examines the rapid industrialization of the region and how local economies are starting to diversify away from petroleum exploring how this transformative process is starting to impact on the region s economy and social make up With contributions from some of the top scholars and practitioners in the area this book discusses crucial topics related to the region s transformation from issues of economic development and relations with Iran to foreign labour and women s education and work outside the home Chapters explore how in addition to the massive growth in investments and products such as oil gas chemicals metals and cement this growth has triggered numerous societal changes such as labour migration educational reforms declining natality and shifting gender roles Covering in detail a broad range of issues this book will appeal not only to Middle East experts particularly those with an interest in the Persian Gulf but also to development experts and political scientists

The Modern Middle East, Third Edition Mehran Kamrava, 2013-09-27

From the fall of the Ottoman Empire through the Arab Spring this title offers a classic treatise on the making of the contemporary Middle East remains essential reading for students and general readers who want to gain a better understanding of this diverse region

Beyond the Arab Spring in North Africa Daniel Krížek, Jan

Záhorík, 2017-01-25 This book deals with the waves of revolutions in North Africa labelled as the Arab Spring Each of the countries in the region was affected by the Arab Spring and has experienced specific processes and consequences Due to the complexity of the phenomenon any kind of comprehensive research and analyses need an interdisciplinary approach to deal with the Arab Spring from multiple perspectives This volume brings together a group of scholars from various disciplines

covering different aspects of the revolutionary changes in the North African countries Beyond the Arab Spring in North Africa collects diverse studies with an emphasis on specificity Chapters deal with a wide range of topics that include both minor as well as major themes These include the formation of youth movement in Egypt long before the Arab Spring and their subsequent participation in the revolution analysis of Tunisian women s participation in Arab Spring events spatial disparities in Tunisia and their impact on the revolution with special focus on Sidi Bouzid as one of the socio economically weakest areas rights and social status of sexual minorities in Tunisia polemics over the role of New Media as both revolutionary and contra revolutionary tools broader discussion over the prospects for multilateral cooperation and regional integration in the studied area reflection of the Arab Spring in the Czech media impact of the work of Ali Abd al Raziq on the debates over political secularism in Islamic society as well as a general debate over democratization in North Africa or Arab states as such Beyond the Arab Spring in North Africa will find its readers in all relevant social sciences dealing in various contexts with the contemporary North Africa

Middle East Dilemma The Politics And Economics Of Arab Integration Introduction

In today's digital age, the availability of Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Middle East Dilemma The Politics And Economics Of Arab Integration versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another

popular platform for Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Middle East Dilemma The Politics And Economics Of Arab Integration books and manuals for download and embark on your journey of knowledge?

FAQs About Middle East Dilemma The Politics And Economics Of Arab Integration Books

1. Where can I buy Middle East Dilemma The Politics And Economics Of Arab Integration books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
