Mon Cher Papa Claude-Anne Lopez, 2005-11-01 *The First American* H. W. Brands, 2010-05-26 PULITZER PRIZE FINALIST Benjamin Franklin perhaps the pivotal figure in colonial and revolutionary America comes vividly to life in this thorough biography of America's first Renaissance man *The Washington Post* by the two time Pulitzer Prize finalist bestselling historian and author of *Our First Civil War* The authoritative Franklin biography for our time Joseph J Ellis author of the Pulitzer Prize winning *Founding Brothers* Wit diplomat scientist philosopher businessman inventor and bon vivant Benjamin Franklin's life is one every American should know well and it has not been told better than by Mr Brands The Dallas Morning News From penniless runaway to highly successful printer from ardently loyal subject of Britain to architect of an alliance with France that ensured America's independence Franklin went from obscurity to become one of the world's most admired figures whose circle included the likes of Voltaire Hume Burke and Kant Drawing on previously unpublished letters and a host of other sources acclaimed historian H W Brands has written a thoroughly engaging biography of the eighteenth century genius A much needed reminder of Franklin's greatness and humanity *The First American* is a work of meticulous scholarship that provides a magnificent tour of a legendary historical figure a vital era in American life and the countless arenas in which the protean Franklin left his legacy Look for H W Brands's other biographies ANDREW JACKSON THE MAN WHO SAVED THE UNION Ulysses S Grant TRAITOR TO HIS CLASS Franklin Roosevelt and REAGAN

Benjamin Franklin, Jonathan Edwards, and the Representation of American Culture Barbara B. Oberg, Harry S. Stout, 1993-05-20 This interdisciplinary collection of comparative essays by distinguished historians and literary critics looks at aspects of the thought of Jonathan Edwards and Benjamin Franklin and considers the place of these two men in American culture Probably the two most examined figures of the colonial period they have often been the object of comparative studies These characterizations usually portray them as mutually exclusive ideal types thus placing them in categories as different and opposed as traditional and modern In these essays by such scholars as William Breitenbach Edwin Gaustad Elizabeth Dunn and Ruth Bloch polemical contrasts disappear and Edwards and Franklin emerge as contrapuntal themes in a larger unity Benjamin Franklin Jonathan Edwards and the Representation of American Culture is a valuable addition to scholarship on American literature and thought

Pietism in Petticoats and Other Comedies Louise Adelgunde Victorie Gottsched, 1994 First English translation of Gottsched's five original comedies Luise Adelgunde Gottsched 1713-1762 poet essayist translator and playwright was regarded during her lifetime as intellectually the most formidable woman in Germany Together with her better known husband Johann C Gottsched she crusaded to reform the language and literary taste of the Germans Frau Gottsched's most important contribution to German literature came in the form of her translations and original comedies in the French classical style The present volume offers for the first time in English translation Luise Gottsched's five original comedies including *Pietism in Petticoats* 1736 The targets of her biting wit are hypocritical religious

fundamentalists the gentry middle class social climbers German francophiles and pseudo intellectuals These witty satires make it obvious why Luise has come to be viewed as the mother of the modern German comedy The Love of a Prince Laurence L. Bongie,2011-11-01 Many books have been written about Bonnie Prince Charlie but few have brought to light as much new material as this one including evidence of a short lived son born in Paris scarcely two years after the royal fugitive escaped to France following the unlucky Battle of Culloden The book deals less with the oft told story of the Prince s crushing defeat in 45 than with his subsequent inability to cope with failure and with the even more devastating personal defeat represented by his arrest in Paris and expulsion from France in 1748 During that critical time a major turning point in his life the once generous and compassionate Prince having failed in his noble ambition either to vanquish his enemies or perish sword in hand began his long descent into oblivion One happy event hitherto unnoted nevertheless marked this crucial period As the Prince in 1747 48 watched his world crumbling around him his father and brother in Rome having abandoned him and given up hope of a Stuart restoration he fell in love for the first time in his life with his married cousin Louise Princesse de Rohan like himself a direct descendant of Poland s King John Sobieski The Love of a Prince is her story too and an extensive appendix to the work is devoted to the passionate love letters she wrote during their clandestine affair They convey the full tragedy of an archetypal femme abandonnee whom we observe progressing from the initial joys of young love to inevitable catastrophe Ultimately the princess s suffering and her moral defeat become little more than an unhappy subplot in the Prince s own saga of distrust bad faith and angry failure set amid the intrigues and petty jealousies of the French court Nearly a decade of research by the author in the Stuart Papers at Windsor Castle and in private and public archives has gone into the work Though at times challenging for the general reader because of its period French documentation retained for the sake of authentic flavour the work is by no means directed to the specialist alone Indeed at times The Love of a Prince reads more like an historical romance than history despite the total absence of fictional elements It will appeal to those interested in eighteenth century history and biography followers of the royal families of Europe and especially those long fascinated by the exploits of one of history s legendary heroes **The French Prompter: a Complete Handbook of Conversation** A. P. LE PAGE,1847 Benjamin Franklin Thomas S. Kidd,2017-05-23 A major new biography illuminating the great mystery of Benjamin Franklin s faith Renowned as a printer scientist and diplomat Benjamin Franklin also published more works on religious topics than any other eighteenth century American layperson Born to Boston Puritans by his teenage years Franklin had abandoned the exclusive Christian faith of his family and embraced deism But Franklin as a man of faith was far more complex than the thorough deist who emerges in his autobiography As Thomas Kidd reveals deist writers influenced Franklin s beliefs to be sure but devout Christians in his life including George Whitefield the era s greatest evangelical preacher his parents and his beloved sister Jane kept him tethered to the Calvinist creed of his Puritan upbringing Based on rigorous research into Franklin s voluminous correspondence essays and almanacs this fresh

assessment of a well known figure unpacks the contradictions and conundrums faith presented in Franklin s life *The French Present; Or, Easy Dialogues ... Eighth Edition, with Five Plates* Madame M. Dupont AUBLAY,1824 , *Writings, Collected and Ed. with a Life and Introd* Benjamin Franklin,Albert H. Smyth,1907 **Writing** Thomas Bailey Aldrich,Ferris Greenslet,1907 **The Writings of Benjamin Franklin** Benjamin Franklin,1907 [The John Askin Papers ...: 1747-1795](#) John Askin,1928 **The John Askin Papers ...** John Askin,1928 *Are You a Mason?* Leo Ditrichstein,1901 [France and America in the Revolutionary Era](#) Thomas J. Schaeper,1995 This is the first detailed study account of the life and career of Chaumont whose chief claim to fame was the fact that from 1777 to 1785 Benjamin Franklin lived in his home in the Parisian suburb of Passy Basing his work on documents from two dozen archives in the United States and France Schaeper demonstrates that Chaumont was far more than merely a landlord Prior to the American Revolution he had become one of the most powerful and respected businessmen of the Old Regime For personal as well as patriotic reasons he aided the American insurgents and worked with a wide array of persons In addition to Franklin these included John Adams Silas Deane Caron de Beaumarchais the marquis de Lafayette and the comte de Vergennes Chaumont performed an astounding range of services acting as intermediary an adviser and a supplier of arms and clothing His most dramatic contribution to the American cause involved John Paul Jones It was Chaumont who obtained the famous Bonhomme Richard for the commodore Through looking at the activities of this intriguing individual the author is able to offer many new insights into both American and French history Lively and well written this biography will appeal to both the historian and the general reader *Pencil Sketches* Eliza Leslie,1852 **Life in the New World, Or, Sketches of American Society** Charles Sealsfield,1844 *Le philosophe sans le sçavior* Sedaine,1913 **The Origin of the Land Grant Act of 1862 (the So-called Morrill Act) and Some Account of Its Author, Jonathan B.
