Sedition by Katharine Grant, 2014-04. Extremely impressive. A wonderful read from a born storyteller. Chris Cleave, New York Times bestselling author of *Little Bee*. A wicked sense of humor. Subversive and thrilling. It will keep you up all night. The New York Times Book Review. Like Jane Austen on crack cocaine. A triumph of wit and brio. The Scotsman. An unforgettable historical tale of piano playing, passions, and female power. The setting of *Sedition* by Katharine Grant, London 1794. The problem: Four nouveau riche fathers with five marriageable daughters. The plan: The young women will learn to play the piano, give a concert for young Englishmen who have titles but no fortunes, and will marry very well indeed. The complications: The lascivious and French piano teacher, the piano maker's jealous and musically gifted daughter, the one of these marriageable daughters with a mating plan of her own. While it might be a truth universally acknowledged that a man in possession of a title and no money must be in want of a fortune, what does a sexually awakened young woman want? In her wickedly alluring romp through the late Georgian London, Italian piano making, and tightly fitted Polonaise gowns, Katharine Grant has written a startling and provocative debut.
