**The human life bill** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Separation of Powers,1982 **Techno-Sapiens in a Networked Era** Ryan K. Bolger,Kutter Callaway,2020-11-09 Techno Sapiens gathers together leading scholars of technology theology and religion in order to explore the ways in which modern technology is neither solely a dehumanizing force in the world nor a mere instrument for evangelizing the world but rather the very means by which incarnation happens the media in and through which humans love the digital other The essays explore the question of how technology encourages and or inhibits the human capacity to love our neighbor through asking the following questions Who is my digital neighbor How does social media in particular allow us to love our digital neighbor How does one become a digital neighbor **The Human Life Bill: no distinctive title** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Separation of Powers,1982 **Abbot Joachim of Fiore and Joachimism** E. Randolph Daniel,2024-10-28 In the articles included in this collection Professor Daniel argues that Abbot Joachim of Fiore was a disciple of Bernard of Clairvaux whose tertius status was reformist not millenialist Like the other reformists Gerhoch of Reichersberg and Hildegard of Bingen Joachim looked forward to the coming of a thoroughly reformed holy church to be achieved in the near future by reform of the episcopate and the clergy The status of the Holy Spirit was the culmination of

the preceding status not a radically new beginning Apocalypticism in both its reformist and in its imperialist versions was part of the mainstream despite the efforts of the schoolmen to suppress it The author also sheds significant new light on apocalyptic thinking in the mid fourteenth century with a thorough analysis of Henry of Kirkstede's *vade mecum* Cambridge Corpus Christi 404 and his first edition of Henry's *De antichristo et de fine mundi* This study and three others are published here for the first time
