My Turn Memoirs Of Nancy Reagan

Craig Shirley

My Turn Memoirs Of Nancy Reagan:

My Turn Nancy Reagan, 2011-09-14 The former First Lady discusses her life the Reagan administration her shaky relationship with her children and key White House personnel her husband's involvement in the Iran Contra affair and her bout with cancer During our White House years I said almost nothing about how I really felt regarding the controversies that swirled around me But now those years are over and it's my turn to describe what happened About Ronald Reagan Although Ronnie loves people he often seems remote and he doesn't let anybody get too close There's a wall around him He lets me come closer than anyone else but there are times when even I feel that barrier About being a mother What I wanted most in all the world was to be a good wife and mother As things turned out I guess I've been more successful at the first than at the second About her influence I make no apologies for telling Ronnie what I thought Just because you're married doesn't mean you have no right to express your opinions For eight years I was sleeping with the president and if that doesn't give you special access I don't know what does About astrology What it boils down to is that each person has his or her own ways of coping with trauma and grief with the pain of life and astrology was one of mine Don't criticize me I wanted to say until you have stood in my place This helped me Nobody was hurt by it except possibly me About Don Regan His very first day on the job Don said that he saw himself as the chief operating officer of the country But he was hired to be chief of staff Although I believed for a long time that Donald Regan was in the wrong job my power in getting him to leave has been greatly exaggerated Believe me if I really were the dragon lady that he described in his book he would have been out the door many months earlier

My Turn Nancy Reagan, William Novak, 2007 This past First Lady wanted to tell her children and record for history her side of the story of her White House years

Nancy Reagan James G. Benze, 2005 Many thought of her as Queen Nancy Others as the Dragon Lady But for millions of Americans Nancy Reagan was the always smiling and deeply admiring presidential spouse who stood by her man that image lingers still in the touching picture of a bereaved widow at her husband's casket Nancy Reagan has stirred passionate defenders and acerbic critics in many books and the media James Benze however is the first biographer to discuss the effect of her acting background on her tenure as first lady Unlike earlier biographers he focuses on the way she applied her acting skills to meet the demands of her greatest supporting role As part of a movie troupe Nancy Davis often had the job of flattering the lead actor or helping a star create an outstanding performance As first lady Nancy Reagan did all of this and more whether supplying the president with a missing line at Bitburg or steering him away from the abortion controversy Always outspoken and a target for feminists and others she remained the consummate supporting actor always helping the star Benze portrays Nancy Reagan as a forceful presence behind the Oval Office's closed doors unafraid to take on Donald Regan or Oliver North He documents her clear influence on presidential appointments links her quirky penchant for astrology to her show business past and traces the creation of the Just Say No program to her years in Sacramento showing that it far exceeded the public relations motivation that her

detractors claimed Benze reveals how living on a public stage exacerbated the problems in the Reagans relationship with their children which went from bad to worse during the White House years He also covers Nancy Reagan s post Washington life including her vigilant care of the president as he struggled with Alzheimer s disease and her subsequent advocacy of stem cell research that put her at odds with the GOP While Ronald Reagan was the star performer of his presidency his wife glided elegantly at his side as an accomplished co star Benze s book strikes a balance between the images of adoring helpmate and manipulative manager showing us the woman behind the stereotypes and offering a more objective understanding of her place in the history of presidential wives

MY TURN THE MEMOIRS OF NANCY REAGAN WITH WILLIAM NOVAK ,1989

Reagan Larry Schweikart,2019-05-07 New York Times 1 bestselling author Larry Schweikart armed with previously unseen sources from Ronald Reagan s Presidential Library uncovers the most important president of the 20th century and details the life and policies of a man who still remains dear to the hearts of Americans From his time as a lifeguard in Illinois to a sports announcer to a rising actor to a labor union leader then finally governor of California in the tumultuous 1960s and ultimately President Reagan s life is told as it has never been before

The Search for Reagan Craig Shirley,2024-02-13 Never before has anyone explored the mind soul and heart of Ronald Reagan The Search for Reagan explores the challenges and controversies in Reagan s life and how he successfully dealt with each depicting a man who was never as conservative as some conservatives wanted him to be but rather as conservative as he was comfortable being a man who wanted to win on his own terms and integrity Ronald Reagan was a singularly unique man and conservative who championed a wildly successful revolution leading to more freedom and less government for the American people and to the fall of communism while boosting American morale which had been his three big goals He was the first president in many years who believed optimism from the Oval Office had a direct bearing on the affairs of the nation As a consequence he left office more popular than when he entered with a whopping 73 percent approval He is beloved even today as his presidential library is visited far more than any other presidential library by more than five million people each year He understood that American conservatism was based upon the individual and not the group He is still regarded as one of the most admired men in America The range of Reagan scholarship by virtue of books sold about him continues to grow In his presidency he solved the mystery of high inflation that had bedeviled his predecessor high interest rates and high gas prices He created over twenty million new jobs and the number of American millionaires grew from 4 414 to 34 944 He quite literally changed our world for the better and is considered by most historians to be one of our four greatest presidents along with George Washington Abraham Lincoln and Franklin Roosevelt

Behind Closed Doors Ken Khachigian,2024-07-23 Named American Spectator s Political Book of The Year A compelling insider s account by the trusted adviser and confidante to America s presidential giants and political legends as he draws the curtains back on his most private moments with Ronald Reagan and Richard Nixon during revolutionary changes in our economy politics communications foreign policy and culture Ken

Khachigian has written the most lucid most important work about the postwar period For an inside look at how ugly politics can be and how noble you cannot miss this book I still love Ken after fifty years and you will too when you read this jewel of a memoir Ben Stein Economist law professor multi Emmy awarded actor speechwriter for Presidents Nixon and Ford novelist and screenwriter This is essential reading for anyone wanting to know how Ronald Reagan shaped his crusading message of economic growth through tax cuts and limited government Khachigian s is a fascinating account by one who takes you into the rooms where the decisions were made Larry Kudlow Host of Fox Business Network s Kudlow and Former Director National Economic Council To understand Nixon and Reagan the two crucial Presidents and coalition builders of the last third of the 20th century the insights of Ken Khachigian the confidant who advised them both seem indispensable Pat Buchanan White House Aide to Presidents Nixon and Reagan Ken Khachigian is a great conservative and patriot and his book will give you the inside view of a presidency that will go down in history as one of greatness and strength Ed Rollins Ronald Reagan s White House Political Director Ken Khachigian offers a riveting account of his thrilling journey through American history at the sides of two monumental Presidents If you care about where America has been and where it s going this is a must read Monica Crowley Ph D Former Assistant Secretary of the Treasury News Analyst and Bestselling Author Ken Khachigian will draw you inside a generation of White House leadership and details how Reagan revived the American economy and lit a prairie fire of patriotism across America K T McFarland American political candidate former government official and political commentator Mr Khachigian now 79 and retired and an occasional contributor to this newspaper s opinion pages concludes his anecdote rich book with an expression of gratitude to both Nixon and Reagan saying that it was wonderful good fortune for me to have been at their service and for the country for each of them to have served Wall Street Journal Behind Closed Doors is a rich repository of hitherto unknown but highly significant stories about two leaders who many of us thought we knew everything about but obviously didn t NewsMax

The Triumph of Nancy Reagan Karen Tumulty, 2022-04-12 The made in Hollywood marriage of Ronald and Nancy Reagan was the partnership that made him president Nancy understood how to foster his strengths and compensate for his weaknesses and made herself a place in history Tumulty shows how Nancy s confidence developed and reveals new details surrounding Reagan s tumultuous presidency that shows how Nancy became one of the most influential first ladies in history adapted from jacket

The Health of the First Ladies Ludwig M. Deppisch, M.D., 2015-01-28 This first comprehensive study of the medical histories of America s first ladies from Martha Washington to Michelle Obama discusses their illnesses their treatments and their physicians in the context of their times As the categories of illness afflicting Americans have changed through history so have the kinds of maladies affecting the first ladies Infectious diseases and the consequences of poorly supervised pregnancies have been replaced by cerebrovascular accidents and malignancies The secrecy with which the White House has traditionally handled inquiries about the health of the president s wife is explored in detail however several first ladies notably Betty Ford

have been transparent about their illnesses in order to educate the public The effects of a first lady s responsibilities on her health is examined This book also seeks to discern how the well being of the first lady influences presidential performance

The Gatekeepers Chris Whipple,2018-03-06 Now with a chapter on the chaos in the Trump administration the New York Times bestselling behind the scenes look at the White House Chiefs of Staff whose actions and inactions have defined the course of our country What do Dick Cheney and Rahm Emanuel have in common Aside from polarizing personalities both served as chief of staff to the president of the United States as did Donald Rumsfeld Leon Panetta and a relative handful of others The chiefs of staff often referred to as the gatekeepers wield tremendous power in Washington and beyond they decide who is allowed to see the president negotiate with Congress to push POTUS s agenda and most crucially enjoy unparalleled access to the leader of the free world Each chief can make or break an administration and each president reveals himself by the chief he picks Through extensive intimate interviews with eighteen living chiefs including Reince Priebus and two former presidents award winning journalist and producer Chris Whipple pulls back the curtain on this unique fraternity In doing so he revises our understanding of presidential history showing us how James Baker s expert managing of the White House the press and Capitol Hill paved the way for the Reagan Revolution and conversely how Watergate the Iraq War and even the bungled Obamacare rollout might have been prevented by a more effective chief Filled with shrewd analysis and never before reported details *The Gatekeepers* offers an essential portrait of the toughest job in Washington

Focus On: 100 Most Popular American Autobiographers Wikipedia contributors, *Becoming Ronald Reagan* Robert Mann,2019-10-01 In the 1960s transitioning from acting to politics was rare Ronald Reagan was not the first to do it but he was the first to jump from the screen to the stump and on to credibility as a presidential contender Reagan s transformation from struggling liberal actor to influential conservative spokesman in five years and then to the California governorship six years later is a remarkable and compelling story In *Becoming Ronald Reagan* Robert Mann explores Reagan s early life and his career during the 1950s and early 1960s his growing desire for acclaim in high school and college his political awakening as a young Hollywood actor his ideological evolution in the 1950s as he traveled the country for General Electric the refining of his political skills during this period his growing aversion to big government and his disdain for the totalitarian leaders in the Soviet Union and elsewhere All these experiences and more shaped Reagan s politics and influenced his career as an elected official Mann not only demonstrates how Reagan the actor became Reagan the political leader and how the liberal became a conservative he also shows how the skills Reagan learned and the lessons he absorbed from 1954 to 1964 made him the inspiring leader so many Americans remember and revere to this day *Becoming Ronald Reagan* is an indelible portrait of a true American icon and a politician like none other Purchase the audio edition

Voices of Mental Health Martin Halliwell,2017-10-02 This dynamic and richly layered account of mental health in the late twentieth century interweaves three important stories the rising political prominence of mental health in the United States since 1970

the shifting medical diagnostics of mental health at a time when health activists advocacy groups and public figures were all speaking out about the needs and rights of patients and the concept of voice in literature film memoir journalism and medical case study that connects the health experiences of individuals to shared stories Together these three dimensions bring into conversation a diverse cast of late century writers filmmakers actors physicians politicians policy makers and social critics In doing so Martin Halliwell s *Voices of Mental Health* breaks new ground in deepening our understanding of the place politics and trajectory of mental health from the moon landing to the millennium **Ronald Reagan** James H.

Broussard,2014-08-27 Few politicians in recent American history are as well known as Ronald Reagan the 40th U S president An iconic leader Reagan shifted the direction of American politics toward a newly vigorous conservatism Though he began his career as a New Deal liberal by the end of the 1950s Reagan had embraced conservative views His presidency saw the longest peacetime prosperity in American history as well as the fall of the Berlin Wall and the end of the Cold War but also skyrocketing deficits and the Iran Contra scandal In the twenty first century Reagan s legacy is both pervasive and contested with supporters and detractors often divided along partisan lines Yet Reagan s own actions did not always fit into partisan boxes In a clear eyed and insightful narrative James H Broussard cuts through the mythology of both sides to produce a nuanced portrait of Reagan in his historical context Supported by primary sources and a robust companion website this concise biography is an ideal introduction to this fascinating president and the issues that shaped America in the late 20th century Routledge Historical Americans is a series of short vibrant biographies that illuminate the lives of Americans who have had an impact on the world Each book includes a short overview of the person s life and puts that person into historical context through essential primary documents written both by the subjects and about them A series website supports the books containing extra images and documents links to further research and where possible multi media sources on the subjects Perfect for including in any course on American History the books in the Routledge Historical Americans series show the impact everyday people can have on the course of history *Reckoning with Reagan* Michael Schaller,1994-08-04 At the height of Ronald Reagan s popularity in July 1986 Time magazine wrote glowingly of how he had found America s sweet spot Reagan seemed a magician who carries a bright ideal America like a holograph in his mind and projects its image in the air Not since the rhapsody about Camelot that surrounded John F Kennedy in the wake of his assassination had a president been spoken of so reverently Reagan pledged to bring Americans a little good news and during the next eight years through recession and recovery cold war and detente success and scandal Reagan forged a powerful bond with the public His popularity appeared so unrelated to actual achievements and so undiminished by failure that Colorado Representative Pat Schroeder dubbed him the Teflon president Providing a brief but comprehensive and non polemical overview of what exactly took place during the Reagan years Michael Schaller presents a lively account of the Reagan presidency weighing the president s great personal and political popularity against the effects of his economic social diplomatic and strategic

decisions Much more than an account of Reagan the man Schaller offers us a fascinating evaluation of the Reagan phenomenon providing an accessible introduction for Americans struggling to understand the illusory and actual impact of the Reagan administration on the 1980s and on years to come *Ronald Reagan and Margaret Thatcher* Nicholas Wapshott,2007-11-08 New details of the remarkable relationship between two leaders who teamed up to change history It is well known that Ronald Reagan and Margaret Thatcher were close allies and kindred political spirits During their eight overlapping years as U S president and UK prime minister they stood united for free markets low taxes and a strong defense against communism But just how close they really were will surprise you Nicholas Wapshott finds that the Reagan Thatcher relationship was much deeper than an alliance of mutual interests Drawing on extensive interviews and hundreds of recently declassified private letters and telephone calls he depicts a more complex intimate and occasionally combative relationship than has previously been revealed

Diplomacy Meets Migration Hideaki Kami,2018-06-28 Diplomacy Meets Migration examines diplomacy migration and the history of US relations with Cuba during the Cold War Hideaki Kami draws on declassified US and Cuban diplomatic sources as well as Miami Cuban lobby records to challenge traditional interpretations that mainly focus on the two national capitals Washington and Havana By incorporating Miami into the story of foreign affairs Kami assesses the intersection between migration and diplomacy and considers how migration emerged as a critical issue that shaped the dynamism of US relations with Cuba Kami demonstrates that the US government reformulated its Cuban policy in response to Fidel Castro's institutionalization of power while simultaneously trying to build a new relationship with the Miami Cuban community a new politically mobilized constituency within US society He shows how both migration control and migrant politics became important components of US foreign policy which in turn influenced Cuban policy toward the United States

Last Act Craig Shirley,2015-10-13 His name in American politics is more cited than any other president Both the Republican and Democratic parties are radically different today mainly as a result of Ronald Reagan and the force of his ideas No twentieth century president shaped the American political landscape so profoundly Craig Shirley's Last Act is the important final chapter in the life of Reagan that no one has thus far covered It is the kind of book that widens our understanding of American history and of the presidency and the men who occupied it To tell Reagan's story Craig has secured the complete exclusive and enthusiastic support of the Reagan Foundation and Library and spent considerable time there reviewing sealed files and confidential information Cast in a grand and compelling narrative style Last Act contains interesting and heretofore untold anecdotes about Reagan Mrs Reagan their pleasure at retirement the onslaught of the awful Alzheimer's and how he and Mrs Reagan dealt with the diagnosis the slow demise the extensive plans for a state funeral the outpouring from the nation which stunned the political establishment the Reagan legacy and how his shadow looms more and more over the Republican Party Washington the culture of America and the world *Reading Autobiography* Sidonie Smith,Julia Watson,2010-07-02 With the memoir boom life storytelling has become ubiquitous and

emerged as a distinct field of study Reading Autobiography originally published in 2001 was the first comprehensive critical introduction to life writing in all its forms Widely adopted for undergraduate and graduate level courses it is an essential guide for students and scholars reading and interpreting autobiographical texts and methods across the humanities social sciences and visual and performing arts Thoroughly updated the second edition of Reading Autobiography is the most complete assessment of life narrative in its myriad forms It lays out a sophisticated theoretical approach to life writing and the components of autobiographical acts including memory experience identity embodiment space and agency Sidonie Smith and Julia Watson explore these components review the history of life writing and the foundations of autobiographical subjectivity and provide a toolkit for working with twenty three key concepts Their survey of innovative forms of life writing such as autographics and installation self portraiture charts recent shifts in autobiographical practice Especially useful for courses are the appendices a glossary covering dozens of distinct genres of life writing proposals for group and classroom projects and an extensive bibliography

Destiny and Power Jon Meacham, 2016-10-18 1 NEW YORK TIMES BESTSELLER

In this illuminating USA Today biography Pulitzer Prize winning author Jon Meacham chronicles the life of George Herbert Walker Bush Destiny and Power reflects the qualities of both subject and biographer judicious balanced deliberative with a deep appreciation of history and the personalities who shape it The New York Times Book Review ONE OF THE WASHINGTON POST S TEN BEST BOOKS OF THE YEAR A BEST BOOK OF THE YEAR The New York Times Book Review Time NPR St Louis Post Dispatch Drawing on President Bush s personal diaries on the diaries of his wife Barbara and on extraordinary access to the forty first president and his family Meacham paints an intimate and surprising portrait of an intensely private man who led the nation through tumultuous times From the Oval Office to Camp David from his study in the private quarters of the White House to Air Force One from the fall of the Berlin Wall to the first Gulf War to the end of Communism Destiny and Power charts the thoughts decisions and emotions of a modern president who may have been the last of his kind This is the human story of a man who was like the nation he led at once noble and flawed From the Pacific to the presidency Destiny and Power charts the vicissitudes of the life of this quietly compelling American original Meacham sheds new light on the rise of the right wing in the Republican Party a shift that signaled the beginning of the end of the center in American politics Destiny and Power is an affecting portrait of a man who driven by destiny and by duty forever sought ultimately to put the country first
