Tangled Memories Teresa Waltz,2007-02-13 Love and heartbreak has affected Celebrity Magazine writer Anne Sherman her entire life After losing her fianc in a tragic accident she gave up her dreams of marriage and a family instead spending the last ten years building her reputation as one of the top writers in the industry An assignment to interview the reclusive novelist Dave Beaumont begins a series of bizarre events that seem to draw the two writers closer while also threatening to tear them apart The couple struggles to find an answer to the phenomena that is tampering with their relationship before it s too late True deep and abiding love transcends time and space heaven and earth finding its soul mate where and when one least suspects it Dave stood and started down the steps to the beach He imagined that it would probably feel like being rocked to sleep as the waves pulled him further out to sea The tears were streaming down his face and the sobs were beginning to build but he refused to let them come He hadn t sobbed out loud as a young child and he wouldn t begin now He did however bow his head and pray that God would forgive him Please God forgive me I simply cannot go on alone like this anymore Alone at home Anne began to thrash around in the bed Dave was in trouble where was he Anne looked everywhere she could think of but couldn t see him Panic set in and she felt claustrophobic as the dark shrouded fog crept around her like it was attempting to close her in Dave Dave where are you she screamed again and again Anne began running towards the only light visible in the fog She couldn t make out what it was but at least it looked like an opening out of the darkness that surrounded her Looking ahead she could make out the figure of a man walking towards the ocean It looked like Dave but she couldn t be sure What in the world was he doing walking into the surf with his clothes on Just then the man turned and looked straight at her and she gasped It was Dave and he looked so forlorn that it broke her heart He gave her one long last look and then disappeared into the surf Da a ve come back
