My Verse:

Death Geoffrey Scarre, 2014-12-05 What is death and why does it matter to us How should the knowledge of our finitude affect the living of our lives and what are the virtues suitable to mortal beings Does death destroy the meaningfulness of lives or would lives that never ended be eternally and absurdly tedious Should we reconcile ourselves to the fact of our forthcoming death or refuse to go gently into that good night Can death really be an evil if after death we no longer exist as subjects of goods or evils How should we respond to the deaths of others and do we have any duties towards the dead These and many other questions are addressed in Geoffrey Scarre's book which draws upon a wide variety of philosophical and literary sources to offer an up to date and highly readable study of some major ethical and metaphysical riddles concerning death and dying
