racism segregationist policies and outright violence against the Roma This policy has further exacerbated the residential isolation discrimination and manufactured sense of cultural differences that enables the continued practice of segregating Roma children into ethnically homogeneous schools or classrooms that commonly offer less quality education than that which their majority peers receive Karoly a Survivor Michael Fitzalan,2015-05-12 This is the story of Karoly a man whose family protected Katia and other Jewish refugees Karoly was a teenage boy who was used as human shield by Romanian liberators in Hungary After the war he was sent to prison while Hungary was under communist control He was committed as a political prisoner for being a member of the Independent Small holders Party the communist party s only serious political rival Under the communist regime anyone who held authority in the community was a threat and Karoly was arrested under a trumped up charge He was sent to Marianosztra where he was given the option of starvation or working as a miner in a forced labour camp Karoly worked in a coalmine until he escaped the cruel communist regime in 1956 This is the story of a man who cheated death and suffered un imaginable privations before escaping to England to start again from nothing a broken and mentally enfeebled refugee who rebuilt his life through hard work and determination
