## OVERVIEW

God is unhappy with the way things are and decides to create the world and make it habitable. God creates the world in the span of seven days, and on the seventh day, God rests. God creates light, the heavens and the earth, stars, moon and sun, living vegetation, animals and man. God gives the land to man and tells man to take care of the land and tend to it. Everything on the land is for him. God also provides man with a partner. In Hebrew, man is **אָדָם** *ISH* and woman is **אִשָּׁה** *ISHAH*.

God tells man that he can eat from anything within the Garden, except for the tree of knowledge. Man and Woman follow God's wishes until the snake comes along and tempts Eve into eating the fruit from the tree. Many people say that the fruit was an apple, some say it was a fig. Eve then tells Adam to eat the fruit. They both eat from it and are punished by God for disobeying. Adam and Eve now must work the soil and clothe their bodies, and they are banned from the Garden. The snake now must crawl on the earth and will be known as sly and cunning.

Adam and Eve begin working. Eve soon gives birth to Cain and Abel. Both children work as well. Abel is a shepherd, and Cain is a farmer. Both boys offer gifts up to God. Abel offers to God his best animal, while Cain offers to God some fruit and vegetables. God likes Abel's gift offering more, and Cain becomes jealous. He later kills his brother. God knows this; however, when God questions Cain he tells God that he does not know where his brother is. Cain says to God, "Am I my brother's keeper?" God punishes Cain for killing his brother by placing a mark on his forehead as a sign for all to know what Cain did to Abel.

- It is important to watch over our family and keep them safe.
- We are all created in the image of God.

## YOU KNOW YOU'VE SUCCEEDED WHEN...

- Students can explain the story of Genesis in their own words.

**Ice Song** Kirsten Imani Kasai, 2009-05-19 Reminiscent of Ursula Le Guin's paradigm shattering *The Left Hand of Darkness* this piercingly moving story belongs in most fantasy collections Library Journal There are secrets beneath her skin Sorykah Minuit is a scholar an engineer and the sole woman aboard an ice drilling submarine in the frozen land of the Sique What no one knows is that she is also a Trader one who can switch genders suddenly a rare corporeal deviance universally met with fascination and superstition and all too often punished by harassment or death Sorykah's infant twins Leander and Ayeda have inherited their mother's Trader genes When a wealthy reclusive madman known as the Collector abducts the babies to use in his dreadful experiments Sorykah and her male alter ego Soryk must cross icy wastes and a primeval forest to get them back Complicating the dangerous journey is the fact that Sorykah and Soryk do not share memories Each disorienting transformation is like awakening with a jolt from a deep and dreamless sleep The world through which the alternating lives of Sorykah and Soryk travel is both familiar and surreal Environmental degradation and genetic mutation run amok humans have been distorted into animals and animal bodies cloak a wild humanity But it is also a world of unexpected beauty and wonder where kindness and love endure amid the ruins Alluring intense and gorgeously rendered *Ice Song* is a remarkable debut by a fiercely original new writer Praise for *Ice Song* A stunning debut fantasy about love and the ties of blood Armchair Interviews Kasai's debut is a boldly adventurous tale depicting a richly detailed world The aspect of Traders shifting gender brings Ursula K LeGuin's *The Left Hand of Darkness* to mind while the activities on Chen's island are more reminiscent of Laurell K Hamilton's Meredith Gentry novels Booklist *Ice Song* is definitely a compelling read largely

due to the fact that Sorykah is such a well developed character She has an equally intense and complex sense of love and resentment for her children And the fact that she exists between the world of humans and the mutants is also a source of conflict for her character Ice Song is a near perfect combination of fantasy great storytelling and social commentary Philadelphia Gay News      **Horizon** Fran Wilde,2017-09-26 A City of living bone towers crumbles to the ground and danger abounds Kirit Densira has lost everything she loved the most her mother her home and the skies above Nat Brokenwings once Kirit s brother long before the rebellion tore them apart is still trying to save his family in the face of catastrophe They will need to band together once more to ensure not just their own survival but that of their entire community Amazon com
