My Well Balanced Life On A Wooden Leg Memoirs:

My Well-balanced Life on a Wooden Leg Al Capp,1991 The late great cartoonist recalls his life and career both as the creator of Li'l Abner and as a person who grew up with only one leg in these hilarious essays written with gentle nostalgia and biting humor 16 pages of cartoons

Hillbilly Anthony Harkins,2004 This text argues that the hillbilly in his various guises has been viewed by mainstream Americans simultaneously as a violent degenerate who threatens the modern order and as a keeper of traditional values and thus symbolic of a nostalgic past free of the problems of contemporary life

The Hidden History of Coined Words Ralph Keyes,2021-02-19 Successful word coinages those that stay in currency for a good long time tend to conceal their beginnings We take them at face value and rarely when and where they were first minted Engaging illuminating and authoritative Ralph Keyes's *The Hidden History of Coined Words* explores the etymological underworld of terms and expressions and uncovers plenty of hidden gems He also finds some fascinating patterns such as that successful neologisms are as likely to be created by chance as by design A remarkable number of new words were coined whimsically originally intended to troll or taunt Knickers for example resulted from a hoax big bang from an insult Casual wisecracking produced software crowdsource and blog More than a few resulted from happy accidents such as typos mistranslations and mishearing bigly and buttonhole or from being taken entirely out of context robotics Neologizers a Thomas Jefferson coinage include not just scholars and writers but cartoonists columnists children's book authors Wimp originated with a book series as did goop and nerd from a book by Dr Seuss Coinages are often contested controversy swirling around such terms as gonzo mojo and booty call Keyes considers all contenders while also leading us through the fray between new word partisans and those who resist them strenuously He concludes with advice about how to make your own successful coinage *The Hidden History of Coined Words* will appeal not just to word mavens but history buffs trivia testers and anyone who loves the immersive power of language

Walt Kelly and Pogo James Eric Black,2016-01-13 One of the most popular comic strips of the 1950s and the first to reference politics of the day Walt Kelly's Pogo took on Joe McCarthy before the controversial senator was a blip on Edward R Murrow's radar The strip's satire was so biting it was often relegated to newspaper editorial sections at a time when artists in other media were blacklisted for far less Pogo was the vanguard of today's political comic strips such as *Doonesbury* and *Pearls Before Swine* and a precursor of the modern political parody of late night television This comprehensive biography of Kelly reveals the life of a conflicted man and unravels the symbolism and word play of his art for modern readers There are 241 original Pogo comic strips illustrated and 13 other Kelly artworks as well as illustrations by other cartoonists

I Love It When You Talk Retro Ralph Keyes,2009-03-31 An entertaining and informative book about the fashion and fads of language Today's 18 year olds may not know who Mrs Robinson is where the term stuck in a groove comes from why 1984 was a year unlike any other how big a bread box is how to get to Peyton Place or what the term Watergate refers to *I Love It When You Talk Retro* discusses these

verbal fossils that remain embedded in our national conversation long after the topic they refer to has galloped off into the sunset That could be a person Mrs Robinson product Edsel past bestseller Catch 22 radio or TV show Gangbusters comic strip Alphonse and Gaston or advertisement Where s the beef long forgotten Such retroterms are words or phrases in current use whose origins lie in our past Ralph Keyes takes us on an illuminating and engaging tour through the phenomenon that is Retrotalk a journey oftentimes along the timelines of American history and the faultlines of culture that will add to the word lover s store of trivia and obscure references The phrase drinking the Kool Aid is a mystery to young people today as is 45rpm Even older folks don t know the origins of raked over the coals and cut to the chase Keyes The QuoteVerifier uses his skill as a sleuth of sources to track what he calls retrotalk a slippery slope of puzzling allusions to past phenomena He surveys the origins of verbal fossils from commercials Kodak moment jurisprudence Twinkie defense movies pod people cartoons Caspar Milquetoast and literature brave new world Some pop permutations percolated over decades Radio s Take It or Leave It spawned a catch phrase so popular the program was retitled The 64 Question and later returned as TV s The 64 000 Question Keyes s own book Is There Life After High School became both a Broadway musical and a catch phrase Some entries are self evident or have speculative origins but Keyes s nonacademic style and probing research make this both an entertaining read and a valuable reference work Publishers Weekly *Al Capp* Michael Schumacher, Denis Kitchen, 2013-02-26 More than thirty years have passed since Al Capp s death and he may no longer be a household name But at the height of his career his groundbreaking comic strip Li l Abner reached ninety million readers The strip ran for forty three years spawned two movies and a Broadway musical and originated such expressions as hogwash and double whammy Capp himself was a familiar personality on TV and radio as a satirist he was frequently compared to Mark Twain Though Li l Abner brought millions joy the man behind the strip was a complicated and often unpleasant person A childhood accident cost him a leg leading him to art as a means of distinguishing himself His apprenticeship with Ham Fisher creator of Joe Palooka started a twenty year feud that ended in Fisher s suicide Capp enjoyed outsized publicity for a cartoonist but his status abetted sexual misconduct and protected him from the severest repercussions Late in life his politics became extremely conservative he counted Richard Nixon as a friend and his gift for satire was redirected at targets like John Lennon Joan Baez and anti war protesters on campuses across the country With unprecedented access to Capp s archives and a wealth of new material Michael Schumacher and Denis Kitchen have written a probing biography Capp s story is one of incredible highs and lows of popularity and villainy of success and failure told here with authority and heart *Comic Strip Artists in American Newspapers, 1945-1980* Moira Davison Reynolds, 2015-10-02 Millions of Americans know and love Charlie Brown and Snoopy Blondie and Dagwood Doonesbury Li l Abner Garfield Cathy Beetle Bailey and other such comic strip characters Thanks to the cartoonists the people who have brought and still bring these and other characters to life day after day in the newspapers the characters have become an entertaining and important part of American culture Charles

Schulz Peanuts Chic Young Blondie Gary Trudeau Doonesbury Al Capp Li'l Abner Jim Davis Garfield Cathy Guisewite Cathy Mort Walker Beetle Bailey Rudolph Dirks The Katzenjammer Kids Alex Raymond Rip Kirby Chester Gould Dick Tracy Frank King Gasoline Alley Cliff Sterrett Polly and Her Pals and other cartoonists whose comic strips appeared in American newspapers between 1945 to 1980 are featured in this work The author provides a biographical sketch of each cartoonist with special attention given to the cartoonist's career and characters *Historical Dictionary of New England* Peter C. The Enigma of Al Capp Alexander Theroux, 2002-01-02 The National Book Award nominated author of *Darconville's Cat* and *Three Wogs* delivers this slender yet rich monograph on the controversial life of cartoonist Al Capp creator of *Li'l Abner* The left eventually broke his heart wrote John Updike of Capp A genuine American mythmaker and celebrated funnyman Capp used his strip for years to expose greed corruption and social injustice while bringing belly laughs and dramatic suspense to the lives of millions of people every day Theroux however dives head first into the often glossed over side of Capp delivering a keen but not without compassion analysis of Capp's degeneration into a bitter disillusioned conservative extremist who began using his strip in later years to attack the very causes he once championed This is a rich and compelling investigation into the psyche of a paradoxical American icon who at the height of his fame was one of America's highest paid and most well known entertainers gracing the cover of *Time* and other magazines and franchising *Li'l Abner* into film theater
