## **My Wicked First Life:**

*My First Life* Hugo Chavez, 2016-08-23 Hugo Chavez's extraordinary story in his own words Hugo Chavez military officer turned left wing revolutionary was one of the most important Latin American leaders of the twenty first century This book tells the story of his life up to his election as president in 1998 Throughout this riveting and historically important account of his early years Chavez's energy and charisma shine through As a young man he awakens gradually to the reality of his country where huge inequalities persist and the majority of citizens live in indescribable poverty and decides to act He gives a fascinating description of growing up in Barinas his years in the Military Academy his long planned military conspiracy the most significant in the history of Venezuela and perhaps of Latin America which led to his unsuccessful coup attempt of 1992 and eventually to his popular electoral victory in 1998 His collaborator on this book is Ignacio Ramonet the famous French journalist and editor for many years of *Le Monde diplomatique* who undertook a similar task with Fidel Castro

*My Life Between Earth and Paradise* Mike Tomkies, 2021-07-06 One man's search for peace and beauty in an increasingly frenetic world has never read so well or so evocatively Eifion Rees Shooting Times Country Magazine After giving up a hectic life as a journalist in Europe and Hollywood in the late 1960s to return to his boyhood love of nature Mike Tomkies moved to Eilean Shona a remote island off the west coast of Scotland There he rebuilt an abandoned croft house and began a new way of life observing nature He tracked foxes and stags made friends with seals and taught an injured sparrow hawk to hunt for itself It was the indomitable spirit of this tiny bird that taught Tomkies what it takes for any of us to be truly free Whether he was fishing growing his own food or battling through stormy seas in a tiny boat he learned that he could survive in the harsh environment This is the astonishing story of daring to take the first step away from urban routines and embracing a harsh yet immensely rewarding way of life which in turn led Tomkies to an even more remote location and inspired an acclaimed series of books on various animals and the challenges and joys of living in remote places The awesome extent of his struggle to build an uncomfortable but self supporting writer's life alone in an isolated crofter's cottage is vividly and lyrically described Sunday Express A treasure house of outdoor knowledge It should be read slowly to fully appreciate its value Rennie McOwan Scots Magazine

*The First Life of Andy McCurdy* Eben Dobson, 2005-10 Andy McCurdy not yet seventeen describes himself as irresponsible and underachieving The night before embarking on a Baja sailing voyage he sees a creepy looking couple on the dock in San Diego and becomes convinced that he has witnessed the getaway of murdering smugglers The serenity of sailing in the gorgeous Sea of Cortez and soothing daydreams about his love for his stepsister become clouded by Andy's obsession that he and the two killers will cross paths again Heart stopping adventures expose him to certain death but Andy reaches inside himself and discovers his own latent courage and resourcefulness
