

The background of the cover is a dark, textured map of the United States. Numerous small, stylized faces are scattered across the map, particularly concentrated in the eastern half. In the lower-left corner, there is a circular inset that resembles a keyhole, with a dark, teardrop-shaped object inside it.

My Witnesses An Uncommentary On The Of Acts:

My Witnesses Mark Edward Moore,2000 *You are My Witnesses* Gordon J. Keddie,1993 **Acts** Gordon Keddie,1993-06-07 Christians have always found the book of Acts to be enjoyable exciting and encouraging Here we find our own roots as the followers of Jesus and learn what it means to be citizens of heaven while living upon the earth If the Gospels tell us what the gospel is Acts tells us what the gospel does The author keeps the exposition readable and practical drawing us to lift our hearts to Jesus our Saviour and King Acts is first and foremost the history of the work of the Holy Spirit in the church It brings together two great promises of another Counsellor who would lead the disciples into all truth and the Great Commission to preach the gospel to the whole world in the assurance that he would be with them always to the very end of the age Acts is also the record of costly campaigning against a fiercely resistant enemy over the eternal destiny of lost men and women The sounds of battle echo from almost every scene But so also does the scent of victory as lives are changed and the light of Christ spreads from nation to nation As the book of Acts closes the work still goes on The fulfilment of Christ s commission continues today as his followers take up the unfinished task You will be my witnesses to the ends of the earth

The Book of Acts Steven Ger,2004 Steven Ger s Commentary of the Book of Acts makes the early church come to life and will instruct and encourage you to be a witness for Jesus Christ in your home and community **Congressional Record** United States. Congress,1994 **Ye Shall be My Witnesses** Robert H. Farish,19?? You Will be My Witnesses (Acts 1:8) Sophia Paul Kuzhippalayil,2019 Witness to Christ Stewart Custer,2000-01-01 This commentary is designed to help the student of Scripture gain a mastery of the book of Acts so that its contents may master his soul and make him a better witness to the power of Jesus Christ This commentary seeks to provide pastors and sincere believers in Christ help in perceiving the meaning of Acts its historical background and interpretation It will draw upon the reverent comments of preachers and writers of the past from the Homilies of John Chrysostom on to contemporary authors Publisher The Alternative ,1970 **You Shall be My Witnesses** Ernest Trice Thompson,1953 **Acts** ,2020-09 You Will Be My Witnesses Ron Ward,2004-01-01 **The Testimony of the Witnesses** O. A. Hills,2018-02-08 Excerpt from The Testimony of the Witnesses A Devotional and Homiletical Exposition of the Acts of the Apostles A comprehensive survey of the contents of the Acts of the Apostles would probably raise the question Is not the title of the book a misnomer It is not difficult to find some justification for calling it the Acts of Peter John and Paul but where nine of the original twelve are mentioned by name but once and in a general and collective way in but two or three other places one can hardly accept the common title as the most fitting designation of the entire book And we are glad to believe that the name is not inspired We may find a more appropriate name for the work if we note the fact that Luke s plan seems to cover the teachings as well as the doings of these founders and propagators of the new faith He evidently follows in a general way the program outlined by our Lord in the eighth verse of the first chapter Ye shall be my witnesses both in Jerusalem and in all Judea and Samaria and unto the

uttermost part of the earth But an undeviating adherence to this scheme was not in his thought And so we have the conversion of Paul in the second division and the first Christian Council in the third The introduction of these topics seems at first sight to interrupt the flow of the narrative but they are soon seen to be essential to the completeness of the chronicle and their place in the story could not be well improved These were great events but it was especially of vast moment to record not only what was done but also what was said in connection with each of them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **And You**

Shall Be My Witnesses Robert Kelvin Gee, 2022-08-08 Confusion false doctrine and sheer foolishness continue to overwhelm the evangelical church especially in the United States of America and in Europe It is important that Christians and local churches get back to basics which means discovering how to live as followers of Christ and spread the Word Robert Kelvin Gee suggests that the best way to do this is to study how they did church at the very beginning The Acts of the Apostles shows us this so clearly This book will take you verse by verse through the first twelve chapters of Acts using a question and answer format to reveal how the church was born how it grew and how believers can ensure it stays on track Get answers to questions such as Why were the disciples commanded to stay in Jerusalem What is the purpose of the Holy Spirit's baptism Did Jesus ascend from the Mount of Olives or from Bethany And were there angels present or not Learn about the early church ignite your faith and spread the Word with the lessons and insights in this book Acts, 2015

The Acts of the Apostles David Peterson, 2009 This book is a new landmark in evangelical scholarship on the book of Acts Fifteen years in the making this comprehensive commentary by David Peterson offers thorough exegesis and exposition of the Acts of the Apostles drawing on recent scholarship in the fields of narrative criticism and theological analysis incorporating insights into historical social background and investigating why Luke presents his material in the way he does In view of how long the book of Acts is over a thousand verses Peterson's commentary is admirably economical yet meaty His judgments according to Don Carson are always sane evenhanded and judicious Even while unpacking exegetical details Peterson constantly scans the horizon keeping the larger picture in mind With its solid exegesis astute theological analysis and practical contemporary application Peterson's Acts of the Apostles is a commentary that preachers teachers and students everywhere will want and need Publisher *Witnesses to the World* Daniel W.
