King, 2009-07-27 Lies secrecy and deceptions are the rule for this child finding as she grew older a twist of fate brought her the truth of her heritage and her death plot Having seven children and divorced she had to handle it all alone As a single parent and poor the struggles were many and one guiding light saved her There were dramatic psychic phenomena and glorious spiritual guidance One son died in the military having to deal with death forgery and slander Through it all spiritual guidance was her strength *A Mother's Story* B. Lawrence Maryann B. Lawrence, Maryann B. Lawrence, 2010-03 This touchingly honest memoir *A Mother's Story* Memories from the Turtle Creek Valley follows the life of author Maryann B Lawrence from early childhood through the Great Depression into the uncertain years of World War II followed by the fabulous 1950s and beyond Her story offers a slice of small town life from bygone days on the hill known as Electric Plan in the small town of Turtle Creek in beautiful southwestern Pennsylvania This captivating story also provides a historic glimpse into the lives of her parents and immigrant grandparents as they assimilated into American culture and society We witness their challenges and their joys By providing a detailed and fascinating look at her entire family we gain a greater understanding and appreciation of the contribution that was made by each family member This delightful true to life account follows Maryann into marriage motherhood and maturity in a conversational style that warms your heart My Mother, Kasia and Her American Dream Maria Kordas, 2017-11-20 My Mother Kasia and Her American Dream is the story of my mother and her incredible life All her childhood and her early adulthood life she was dreaming about America Her strong dream became reality She came to this beautiful country in 1974 There was not one day for forty two years being in Chicago that she ever complained Her life was full of struggles As an immigrant and a single woman with three children she loved every day being in America Having had the opportunity to work to give a better life to her children and grandchildren she felt so lucky Her American dream was so strong that it gave her energy to become someone special that her children grandchildren and others close to her were so proud of She gave her children what all people immigrants from all over the world wish to give their children a freedom and a better life **My Stone of Hope** Jean-Robert Cadet, 2011-11-08 There are 27 million slaves living in the world today more than at any time in history Three hundred thousand of them are impoverished children in Haiti who stay with families as unpaid and uneducated domestic workers subject to physical emotional and sexual abuse This practice known locally as restavek staying with is so widespread that one in ten Haitian children is caught up in this form of slavery Jean Robert Cadet was a restavek in Haiti from the late 1950s until the early 1970s He told the harrowing story of his youth in Restavec From Haitian Slave Child to Middle Class American a landmark book that exposed ongoing child slavery in Haiti Now in *My Stone of Hope* Cadet continues his story from his early attempts to adjust to freedom in American society to his current life mission of eliminating child slavery through advocacy and education As he recounts his own struggles to surmount the psychological wounds of slavery Cadet

puts a human face on the suffering that hundreds of thousands of Haitians still endure daily He also builds a convincing case that child slavery is not just one among many problems that Haiti faces as the Western Hemisphere's poorest nation Rather he argues that the systematic abuse of so many of its children is Haiti's fundamental problem because it creates damaged adults who seem incapable of governing the country justly or managing its economy productively For everyone concerned about the fate of Haiti the welfare of children and the freedom of people around the globe My Stone of Hope sounds an irresistible call to action

Just Messing Around Robert Hodum,2023-09-20 Just Messing Around is a zany rollercoaster ride through a latchkey child's world of antics and misadventures laughter and fisticuffs skirting problems and hatching wacky schemes The author like so many of his generation lived an unsupervised childhood that characterized many suburban Long Island communities of the early 60s Absent parents these kids ran wild in their rural suburban world They saw themselves as frontiersmen daredevils and self-confessed hellions These children were also alone way too much sometimes frightened and in serious need of discipline and hugs This heartwarming collection of stories seen through the eyes of one kid depicts their lives of roaming fields and woods surviving their daily madcap adventures exploring haunted farmhouses and as we kids would say just messing around

Apparently There Were Complaints Sharon Gless,2022-11-29 Emmy Award winning actress Sharon Gless of Cagney and Lacey Queer as Folk and Burn Notice among others spills all in this hilarious juicy and deeply touching memoir about her five decades in Hollywood where she took on some of the most groundbreaking roles of her time

Whose I Am and Who I Serve Jean Tindall Killough,2019-11-07 Living In and Passing on the Light The book Whose I Am and Who I Serve takes the reader on a journey of one person's life from deliverance to destiny The author realized that when she fully submitted her free will to Jesus as her Lord and Savior He not only set her free from the past but was training her up to share the light of hope with others who were downcast When looking back upon her life she saw how all the pieces fit together like a wonderful puzzle God was surely preparing everything for the time she would answer His call with a profound Use Me With this there is also opportunity to share her faith with the next generation that they might follow Christ at a much younger age The picture on the book cover illustrates passing on the light The author's hand is much older holding a shorter candle this depicts that the days left are fewer but still valuable Her granddaughter's hand is much younger holding a longer newer candle which depicts the many days ahead to share her faith Therefore our true legacy in life will never be in the value of possessions passed on but rather the love peace and joy of knowing Jesus You are the light of the world let your light shine before others that they may see your good deeds and glorify your Father in heaven Matthew 5:14-16 NIV
