## **My World Of Words:**

**My World, My Words** Jacob Grovey, 2009-05 To many the world is a place where people are friendly to each other and value the company of others For the rest of the population they seem to live in a racist section of the world that time seems to have forgotten My opinion lies somewhere in the middle It is because of this my mind became cluttered It became a place where thoughts of love and optimism were constantly battling hatred and pessimism This particular collection of poetry is an inside look at that battle It is a journey through my life experiences and my viewpoint of the world It is written as if each poem is a conversation with the reader which gives everyone a sense of comfort and it allows the words to be genuine The poems were therapy during my time of need and I hope they are meaningful to all who see them What is life What is love What is death These questions among others have been able to stump the minds of the world's scholars since the beginning of time Each word brings up different emotions and forces every person to recall moments in their lives that can easily go from one extreme to the other The journey individuals take to find their own answers to these questions vary just as much as the people themselves This book just happens to be a small poetic sample of my journey thus far Like everyone else I have been in love but I have also had my heart broken There have been times when I have enjoyed life but I have also had to deal with the pain of death For some verbally speaking about their experience helps them deal with their pain Others such as myself have a difficult time speaking about the past So we choose to write about it With my writing I have been able to recall and deal with the emotions of my past Although I have dealt with negativity seeing a written record of days gone by allows my outlook on life to remain positive We all have individual views and descriptions on the world this is just My World My Words JACOB G GROVEY began writing early in life At the age of eight he first saw people actually valued his words He was offered the opportunity to write for a magazine but as great as the opportunity was Jacob passed on it because he didn't want any pressure to be associated with his writing As the years passed he found himself writing less and less and before he knew it he had gone several years without writing anything As he thought back to the times when he wrote daily he soon became upset with himself for going so long without putting his thoughts onto paper In 2003 he vowed to never let that happen again Now he says I promise you the times that you'll catch me without some sort of notepad and pencil are gonna be few and far between because you never know when the inspiration will hit

My World My Words Marie Fordacq, 2016-04-05 It's a first picture book perfect for toddlers and the perfect gift for that stylish baby shower. Toddlers don't want lessons; they need stories. Toddler-aged Bobby's breakfast to bedtime story provides words for things, actions, and feelings younger children know about but may not be able to name. From meals to playtime to a final reassuring goodnight kiss, printed cloth tabs signal the start of each section and add special value and gift appeal. Charming, smart, and un-lessony, this is a great mix of classic board book style combined with keen insight into what resonates with toddlers at this key stage of their development. Retro-chic illustrations and design make this **WORLD** a great addition to home, nursery, and preschool bookshelves.

Words of a Father Edward Sulek, 2008-10 My personal expression of thoughts that lie within the pages of this your book are **UNREVISED** and therefore remain unchanged and offer you the reality of this father's impressions of life's excitement. The heroes within the one-paged presentations of philosophy, love, and intimate romance, war, poetry, shorties, and my lessons learned, experiences are about you and me within life's spectrum of activities. Striving for and finding **HAPPINESS** is a theme throughout the book with an excitement of action which has a similarity to a **WILL ROGERS** or **MARK TWAIN** adventure. I have been compelled to write inspirational and thought-inducing stories with moral fiber resulting from my awesome **OUT OF BODY EXPERIENCE** occurring during the **VIETNAM WAR** following a bullet wound through my chest. Why I, an infantry grunt, reentered my lifeless body with a newness of **LIFE AND ENERGY**. I questioned **WHY**. One significant reason for my rebirth is to share my views of **WAR'S** intensity, devastation, and our alternatives to war with you. Also, I need to share with the world now and throughout the **ARCHIVES OF TIME** why **LIFE IS SO PRECIOUS**. Author's Event: What Book Signing Where: Barnes and Noble Bookstore, Concord Mall in Wilmington, Delaware. When: February 24, 2009 at 7PM.

**The Words of My Life** Christina Marra, 2016-06-30 Vivid at times raw with emotion and dripping with sentiment, Christina Marra traces the timeline of her life with soulful imagery and profound emotion. She speaks of relatable experiences using the poetry she calls the Words of Her Life. Marra begins with the birth of self and traces the development of her thoughts and feelings as she experiences love, life, and a full range of emotions during her adolescence and into her adulthood. She exasperates the development of self through profound images that speak to the very heart of your soul. She speaks of family, upbringing, dreams, and love. She speaks of the foundation of emotions that she associates with every aspect of her living. She questions learned truths and visits the very nature of her being. Marra finds herself in her writings and through her loving, accepts the woman she is today.
