practical treatise on Infant Education, being an entire plan for organizing and conducting infant schools ... To which is added, a collection of original poems James RODGERS, 1833 Heroine Worship Sarah Kuhn, 2018-07-03 Asian American superheroines Evie Tanaka and Aveda Jupiter protect San Francisco from perilous threats in the second book in Sarah Kuhn's snarky and smart fantasy trilogy. The superheroine we've been waiting for Seanan McGuire. Once upon a time Aveda Jupiter aka Annie Chang was demon-infested San Francisco's most beloved superheroine, a beacon of hope and strength and really awesome outfits. But all that changed the day she agreed to share the spotlight with her best friend and former assistant Evie Tanaka, who's now a badass fire-wielding superheroine in her own right. They were supposed to be a dynamic duo, but more and more Aveda finds herself shoved into the sidekick role. Where it must be said she is not at all comfortable. It doesn't help that Aveda's finally being forced to deal with fallout from her diva behavior and the fact that she's been a less-than-stellar friend to Evie. Or that Scott Cameron, the man Aveda's loved for nearly a decade, is suddenly giving her the cold shoulder after what seemed to be some promising steps toward friendship. Or that the city has been demon-free for three months in the wake of Evie and Aveda's apocalypse-preventing battle against the evil forces of the Otherworld, leaving Aveda without the one thing she craves most in life: a mission. All of this is causing Aveda's burning sense of heroic purpose, the thing that's guided her all these years, to falter. In short, Aveda Jupiter is having an identity crisis. When Evie gets engaged and drafts Aveda as her maid of honor, Aveda finally sees a chance to reclaim her sense of self and sets out on a single-minded mission to make sure Evie has the most epic wedding ever. But when a mysterious, unseen supernatural evil rises up and starts attacking brides-to-be, Aveda must summon both her superheroine and best friend mojo to take down the enemy and make sure Evie's wedding goes off without a hitch or see both her city and her most important friendship destroyed forever.
