Ok, God: I Need a Miracle! Denise Lovell, 2022-12-06 Living my childhood with an alcoholic father and later going through a failed marriage mental health breakdown and incurable cancer diagnosis I often wondered if there was a God and why life can appear so cruel at times However as I reached out with unshakeable faith I realised that every experience is a lesson to help us evolve It was then that miracles really did start to show up in my life Growing up as an empath I have a strong intuition when it is called for No more so than when my cancer became so aggressive that it threatened my life at the start of a global pandemic I had to fully trust my intuitive choices because my life was dependent on them Cancer was my wake up call but it is only through true self love and self care that we can learn to heal and live a life free from pain This book has been written to inspire readers to never lose hope and never stop loving
